

Prince Avenue Christian School

OUR MISSION

To partner with Christian families to provide scripturally based discipleship while pursuing excellence in academics, fine arts, and athletics from a biblical worldview.

Prince Avenue provides a comprehensive college preparatory education with a Christian worldview for students in pre-school through 12th grade. Our teachers employ a learning versus teaching centric approach to education, and our small classes provide a unique, personalized approach to help each student perform at her or his maximum potential. As a K-12 school with an average enrollment of 750 students, our size allows us to offer a wide selection of core and elective classes with mature, developed fine arts and athletic programs in lower, middle, and high school grades for a traditional experience in a family-school environment.

Our lower school utilizes Abeka Math and Shurley Grammar, our middle school offers traditional and honors level courses, and our high school offers college placement, Advanced Placement (AP), and college/high school dual enrollment courses, which are all taught on campus by our own teachers.
