

January 20, 2021

Dear Parents,

Reenrollment for school year 2021-2022 is here, and your continued investment in a Prince education speaks volumes about the priority you place on raising your child in a safe, Christ centered environment with caring teachers, small class sizes, and a deliberate approach to preserve the moral innocence of youth.

Our school's Profile Sheet is published on our website and documents our students' standardized test scores, which meet or exceed the state's top performing public school system, and our students' acceptance rate at top colleges and universities surpasses other private schools in our service area who charge almost twice our tuition. But an investment in a Prince education offers so much more than a quality education in a wholesome environment; our partnership allows us to teach the same Christian values you teach at home, which is critical to laying a solid spiritual and moral foundation that your child will continue to build upon long after they leave the safe harbor of your home and our campus. Public schools and secular private schools cannot equip their students to meet this most important objective because God's word, by law, has been removed from their classrooms.

Recent capital investments to meet the current and future needs of our students include IT infrastructure (\$560,000), four new school busses (\$384,000), and over \$700,000 in additional operating costs incurred during this COVID-19 pandemic. In addition, we recently completed a successful capital campaign raising over \$3.5 million in cash and pledges enabling us to purchase 14 acres of additional land and construct a new 18,500 square foot middle school building. I mention those significant investments and projects because they are all being accomplished with a modest *tuition increase of 4.80%, which is the second lowest increase in over a decade* and averages only \$41 a month or the cost of a dinner for two.

When you examine the scope and caliber of our academic, fine arts, athletic, and discipleship programs compared to other schools in our service area, there is absolutely no question a Prince education is the best value for the investment.

If you have any questions about our reenrollment process, I encourage you to email our Admissions Director Victoria Carter at vcarter@princeave.org or call her at (678) 726-2305. We encourage you to reenroll early so we can continue our planning for the 2021-2022 school year!

Warm regards and in His service,

Reenrollment Instructions

In February, the PACS leadership team will begin making financial decisions for next school year based on the number of reenrolled students. In private schools like ours, enrollment drives the budgetary process, and the competition for securing quality teachers and service providers for next school year begins at this time. Due to the need for accurate student data from current PACS families, we encourage you to complete the reenrollment process early.

To complete our online reenrollment process, you will access your FACTS Family Portal (ParentsWeb) through your existing login.

- Please go to www.factsmgt.com
- Select **Parent Login** from the menu bar and **FACTS Family Portal (ParentsWeb)** from the drop-down menu.
- The district code is PACS-GA. Type in your username and password. If you have forgotten your username or password, please click on the link provided.
- After logging in, click on the **Family** button in the left menu.
- Click on the **Enrollment/Reenrollment** button.

You will need to complete reenrollment for each of your PACS students. The online process should take approximately 15 minutes per student to complete. Your information will be saved if you need to finish at a later time.

Early Reenrollment Fee	Late Reenrollment Fee	
On or before February 28	March 1 – April 30	May 1 st and Later
\$110 per student	\$210 per student	\$310 per student

- The reenrollment fee is assessed per student, not per family.
- The reenrollment fee is independent of tuition.
- Fee payment is required before you can complete the reenrollment packet.
- As part of reenrollment, you will have the option to select your preferred tuition payment plan for the 2021-22 school year (either pay in full or monthly). Select families may have the option to skip this step based on prior arrangements with the Business Office.
- When you pay the reenrollment fee, you will be given the option to use one of your saved bank accounts or credit cards from FACTS without having to reenter that information. Alternatively, you can enter a new account or debit/credit card. There are no service fees if a bank account is used, however, there is a 2.85% processing fee for debit/credit card payments.

If you do not have a FACTS Family Portal (ParentsWeb) Login:

- Please go to www.factsmgt.com
- Select **Parent Login** from the menu bar and **FACTS Family Portal (ParentsWeb)** from the drop-down menu.
- After the FACTS ParentsWeb Login screen opens, please select **Create New Family Portal Account**.
- Enter **PACS-GA** into the District Code field.
- Enter in the email field your email address as provided in your application to the school.
- Click the **Create Account** button.
- You will receive an email from FACTS Customer Support containing a link that will allow you to create your username and password. For security purposes the link will remain active for 6 hours.
- Please click on the link. A **Change/Create Password** screen will open. You may use the default username provided or create a new username. Then type in your desired password into the Password field and Confirm Field.
- Click on the **Save Username and/or Password** button.
- Close the window.
- Log into the FACTS Family Portal (ParentsWeb) as instructed above.

If you need assistance with reenrollment, or have questions, please contact us:

- Problems accessing FACTS Family Portal (ParentsWeb)? (678)726-2305 or vcarter@princeave.org
- Need assistance with general reenrollment and/or the admissions office? (678)726-2305 or vcarter@princeave.org
- Need assistance with the fee payment or have financial questions? (678)726- 2311 or businessoffice@princeave.org

Financial Agreement

Tuition and Fees

The tuition and fees for the school year 2021-2022 are included within this reenrollment packet as an attachment and are available under the Admissions section of the PACS website at <http://www.princeave.org/admissions/tuition-fees>.

FACTS Management Fee

PACS partners with FACTS Management to offer convenient on-line access to establish tuition payment plans, review charges, and make payments. FACTS charges a \$20 per year fee per family for this service if the tuition is paid in one or two installments. For month payment plans, FACTS charges a \$50 fee per year per family. These fees must be paid in full prior to, or along with, the first tuition payment.

Payment Plan Options

- Annual Payment - The full year of tuition is paid in a lump sum in advance.
- Monthly Payments – If you are a returning family, or have been accepted prior to June 2021, you may enroll in a 12-month payment plan option: the first payment is due June 15, 2021, and the final payment is due May 16, 2022.
- Condensed Monthly Payments – If you are accepted after the normal 12-month payment cycle has begun, your monthly payments will be calculated from the date of your acceptance to the final payment due date on May 16, 2022.

- Alternatively, families may choose to have monthly tuition payments due on the 1st of each month, rather than the 15th.
- FACTS requires that either a checking/savings account or a credit card be linked to each family account. FACTS assesses a service fee charge (approx. 2.85%) for debit and credit card payments.

Discounts and Financial Aid

- Annual Payment Discount - Families who pay in full by June 15, 2021, will receive a 4% discount off their final tuition. Full payments received prior to August 1, 2021, will receive a 2% discount.
- Prince Avenue Baptist Church Member Discount – a 10% discount is available for parents and guardians who are active members of PABC, attend church regularly, and have tithed/gifted an amount that is equal to or greater than the discount amount per student during the preceding 12 months. PABC will verify all requests for this discount and will provide the school with a yes/no as to whether all criteria are met for the discount. In situations where family tithing may not cover the full discount for all students, a discount may be applied in whole student increments.
- Tuition discounts are not offered for students in the Pre-Kindergarten program.
- Financial Aid is limited and available to select families who qualify based on mathematical computations by FACTS used to determine aid eligibility. Financial aid requests will be accepted using data from the 2020 tax year, so please prepare your tax return prior to completing a financial aid request. Financial aid requests will be considered as received; however, aid requests should be submitted before May 15th to ensure an aid award is posted to FACTS prior to the first tuition payment date.
 - Visit <https://online.factsmgt.com/aid>. The username and password will be different from your FACTS Family Portal (ParentsWeb) log-in.

Needs-Based Scholarships

There are a select number of needs-based scholarships that are primarily awarded to students who possess scholastic aptitude and display strong Christian character traits. Please review the scholarship offerings on the PACS website at <http://www.princeave.org/admissions/scholarships>. Scholarship applications are due to the front office by **Thursday, April 1, 2021**.

Incidental Fees

In an effort to keep general tuition for all students at an affordable rate, those students who elect to participate in co-curricular activities and use auxiliary services will be assessed incidental fees that are necessary in order to cover the costs of administering each optional activity. A listing of incidental fees is available on the school website at <http://www.princeave.org/admissions/tuition-fees>. Please use the posted incidental fees as a guideline until the 2021/22 fees are finalized during the summer break.

Returned Payments and/or Overdue Balances

Prince Avenue Christian School relies on each partner family to pay student tuition and incidental charges in a timely manner. For returned payments, FACTS charges a \$30 non-sufficient funds (NSF) fee in addition to charges you may receive from your bank. Prince Avenue Christian School charges a \$25 fee per occurrence on late tuition payments and assesses a 2% per month late fee for unpaid incidental balances. Grades, report cards, and diplomas (for graduating students) will not be released until a family's FACTS account is paid in full.

If neither the payment due nor satisfactory arrangements have been made within 60 school days after the due date, the student may be withdrawn from classes by the school. If this occurs, in order to re-enroll, the full registration process must be followed. Chronically past due accounts may be turned over to a collection agency and all collection fees will be the responsibility of the student's parents or legal guardians.

Early Withdrawal

Initial acceptance and reenrollment contracts with Prince Avenue Christian School represent a binding agreement between a family and the school for the contract period, which is one school year. Because teachers' contracts, school services, and curriculum and supplies are funded and purchased at the beginning of each school year based upon student enrollment, honoring the one-year contract period is necessary to ensure the school delivers the services agreed upon after students are enrolled. Exceptions to this contract commitment include:

- *Withdrawal following reenrollment prior to the first day of school:*
If a family withdraws a student after completing reenrollment but BEFORE the first day of school, the family will forfeit the non-refundable reenrollment fee and be assessed a \$300 withdrawal fee per student. Upon paying the withdrawal fee and settling all other financial balances, the family will be released from the tuition contract for the upcoming school year.
- *Withdrawal following the first day of school:*
Prorated tuition for early withdrawal is the exception, and any family who desires to withdraw their student prior to the end of the school year is expected to honor the financial commitment for the one-year contract period. Exceptions are handled on a case-by-case basis, and any requests for prorated tuition must be made in writing to the Head of School. In cases where prorated tuition is awarded, families will be charged a withdrawal fee of \$500 per student.
