College Planning 2021

PARENTING 101...TIPS FOR PARENTS OF HIGH SCHOOLERS I'VE LEARNED THROUGH THE YEARS

College applications may be a long way off or right around the corner...but it is crucial to start a strong foundation in 9th grade (earlier than that)

Develop/maintain good study habits (get good sleep!)

Set age appropriate parameters (use of technology is a big TIME robber)

Be a fan of “*choices and consequences*”

Let your child be responsible for their classes but “Be the parent” and intervene when necessary (make sure to check facts with teacher, FACTS-SIS, etc.)

BEHAVE! WHAT HAPPENS TODAY IS ON FACEBOOK, TWITTER, INSTAGRAM, AND SNAPCHAT TOMORROW!

- Social Media should be used cautiously especially by teenagers!!! ***They Loved Your G.P.A.... Then They Saw Your Tweets***
- Counselor Evaluations for college admission often include questions pertaining to behavior of student. Many college applications ask if student has been suspended, expelled or had discipline issues which often result from inappropriate social media
- Behavior is very important in high school and can influence college admissions decisions. Kaplan Test Prep recently published survey results about social media and college admissions. They surveyed approximately **400 college admissions officers and found that 40% visit applicant's social media pages**
- Employers often look at social media and form first opinions before interview. App. "How can I find you on social media?"

“**EVERYTHING**
you post on social
media impacts
your **PERSONAL**
BRAND. How
do you want to
be known?”

WHAT ARE COLLEGES LOOKING FOR?

#1...Core high school grades-Low grades from 9th and 10th are hard to pull up in 11th and 12th!

#2...SAT/ACT scores

#3...Rigor of coursework (Honors, Dual, AP's -balance is important, choose to take rigorous coursework in subjects you enjoy the most)

#4...Counselor evaluation/Teacher evaluation

#5...Co-Curricular Activities (clubs, athletics, fine arts, church youth group; committed & dedicated in a few activities is usually better than a little involvement in numerous activities)

#6...Community Service/Volunteer Work

#7...Essays, resume/portfolio

YOU'RE IN HIGH SCHOOL NOW...ALL GRADES COUNT FROM NOW UNTIL GRADUATION!

- ❑ Transcript is record of all grades earned in high school includes SAT/ACT, numerical avg., overall GPA
- ❑ When you apply to college(senior year, Oct. earliest, Jan. next big deadline) they most likely will only see through 11th grade, you can send in additional transcript after Sem.1 grades are in senior year

NACAC

Colleges are evaluating admission applications fairly and holistically considering current times. Admission and scholarship deadlines may change depending on the timing and availability of high school transcripts as well as ACT and SAT exams this fall.

**You must check
with each
college to
determine
their policy!**

Examples: requiring college SAT/ACT as normal, going test optional, using PSAT or PreACT scores, etc.

Georgia public campuses will require ACT/SAT this year

The University System of Georgia (USG) will resume test score admission requirements for Spring 2022 and subsequent semesters. Students' eligibility will be decided based on all criteria established by USG institutions in accordance with Board of Regents policy.

SAT/ACT SCORES appear on the transcript. If you do NOT want them to appear, YOU MUST notify the Guidance Office and request they be hidden. Most colleges will not take them from the transcript, they must be sent OFFICIALLY from the respective testing agency- SAT/ACT.

SAT/ACT-PREP

Am I on Track for College?

Look for the green, yellow, or red symbols next to your section scores. They let you know if your scores are at or above the benchmark scores. Benchmarks show college readiness. If you see green, you're on track to be ready for college when you graduate.

If you score below the benchmark, you can use the feedback and tips in your report to get back on track.

Benchmark scores:

Evidence-Based Reading and Writing: 490

Math: 530

How Do My Scores Compare?

A percentile shows how you scored, compared to other students. It's a number between 1 and 99 and represents the percentage of students whose scores are equal to or below yours.

For example, if your Math percentile is 57, that means 57% of test takers have Math scores equal to or below yours.

The **Nationally Representative Sample Percentile** compares your score to the scores of typical U.S. students.

SAT® User Percentile compares your score to the scores of students who typically take the test.

How Can I Improve?

To see which skills are your strongest and what you can do to boost your college readiness, go to your full report online and look for Skills Insight™.

What Are Score Ranges?

Test scores are single snapshots in time—if you took the SAT once a week for a month, your scores would vary. That's why score ranges are better representations of your true ability. They show how much your score can change with repeated testing, even if your skill level remains the same.

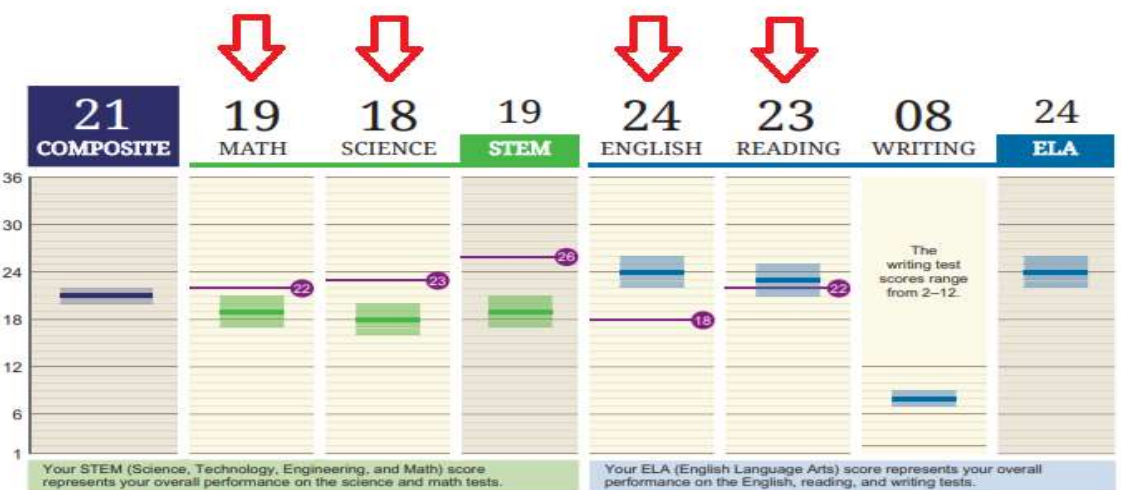

Colleges know this, and they get score ranges along with scores so they can consider scores in context.

Your online score report shows your score ranges.

ACT College Readiness Benchmarks

Readiness Benchmark
 If your score is at or above the Benchmark, you have at least a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in specific first-year college courses in the corresponding subject area. There are currently no Benchmarks for ELA or writing.

Your Score Range
 Test scores are estimates of your educational development. Think of your true achievement on this test as being within a range that extends about one standard error of measurement, or about 1 point for the Composite and writing scores, and 2 points for STEM, ELA, and the other test scores, above and below your score.

US & State Rank
 Your ranks tell you the approximate percentages of recent high school graduates in the US and your state who took the ACT® test and received scores that are the same as or lower than your scores. For example, a rank of 55 for your Composite score means 55% of students earned that Composite score or below.

**EACH COLLEGE
IS UNIQUE...
YOU MUST
CHECK THEIR
REQUIREMENTS**

COLLEGE APPLICATION PROCESS/SENIOR YEAR

- ***All colleges have different requirements...Essays, resumes, counselor/teacher evaluations, self report grades, etc.***
 - For example: UNG requires you to send DE college transcripts up front before they will evaluate you for admission. Most other colleges don't require you send them until after graduation for you to register for college classes
 - If application asks for GPA, you list the one that shows on your unofficial transcript that I gave student. They will re-compute it based on their requirements like core classes only
 - If application asks for rank...choose "no rank." As a small school, we choose not to rank because it is not a fair representation of our student's achievement

COLLEGE APPLICATION PROCESS/SENIOR YEAR

- Don't wait until the last minute...be organized and pay attention to deadlines
- Make sure to proof and spellcheck everything including essays!
- *Pay fee & Hit submit!*
- Apply to more than one college, backup!
- Make sure you save and keep copies

Don't do this... Government/Enviromental

- ❑ **For Teacher Rec.**
 - ❑ Ask teachers that you have a good reputation with and allow plenty of time for them to write a great recommendation well before the deadline, email them or verbally ask. Make sure to tell them how you need it submitted (via email link, mailed...include address, etc.), deadline to submit, is there a special form or can they just send a letter?
- ❑ May want to give your **RESUME** to counselor/teachers (so they know what to brag on!)
- ❑ **IMPORTANT:** Discipline issues are often included on counselor evaluations
- ❑ If PAPER form, have teachers turn in to Mrs. Ricketts to mail in with transcript or attach electronically with transcript. OR provide teacher with LINK to submit.
- ❑ If you must put in counselor/teacher name...Make sure you know how to spell name & that you enter **correct email**. Wrong email address/name means email will not get there

COLLEGE APPLICATION PROCESS/SENIOR YEAR

HOW TO GET THE BEST RECOMMENDATIONS

- ❑ Some teachers write many recommendation letters each year. Even if they know you well, it's a good idea to take some time to speak with them. Make it easy for them to give positive, detailed information about your achievements and your potential by refreshing their memory.

Here's how:

- ❑ Talk to them about your class participation.
- ❑ Remind them of specific work or projects you're proud of.
- ❑ Tell them what you learned in class.
- ❑ Mention any challenges you overcame.
- ❑ Give them the information they need to provide specific examples of your work.
- ❑ If you need a recommendation letter from a counselor or other school official, follow these guidelines:
 - ❑ Make an appointment ahead of time.
 - ❑ Talk about your accomplishments, hobbies and plans for college and the future.

COLLEGE APPLICATION PROCESS/SENIOR YEAR

- ❑ If you need to discuss part of your transcript – low grades during your sophomore year, for example – do so. Explain why you had difficulty and discuss how you've changed and improved since then.

FINAL TIPS:

- ❑ Waive your right to view recommendation letters on your application forms. Admission officers will trust them more if you haven't seen them.
- ❑ Make sure your references know the deadlines for each college.
- ❑ Follow up with your references a week or so before recommendations are due to make sure your letters have been sent electronically/mailed.
- ❑ Once you've decided which college to attend, write thank-you notes. Tell your references where you're going and let them know how much you appreciate their support.

COLLEGE APPLICATION PROCESS/SENIOR YEAR

EXTRAS:

- If it is recommended, consider it required! (like Bonus points on a test)
- **Early Action v/s Regular Admission?**
 - Early Action-Normal EA deadline is mid-October. You must have really high grades with rigor, a decent SAT or ACT score, and favorable Counselor Evaluation, these are the main things they'll look at.

 - There are 3 things that can happen when you apply "Early Action"
 - 1. you can get ACCEPTED (watch for "binding")
 - 2. you can get DENIED and can only re-apply later as a transfer student after you have attended another college for a certain amount of time
 - 3. you can get DEFERRED and will have to submit more paperwork (ie. Essays, teacher evaluations, etc.) After you do that then you will get accepted or denied.

 - Regular Decision-Normal RD deadline is first of January for large schools and varies greatly among other colleges. You have to submit app., transcript, SAT or ACT scores, Counselor Evaluation, all the essays, teacher evaluations, etc.
 - You get either ACCEPTED or DENIED

COLLEGE APPLICATION PROCESS/SENIOR YEAR EXTRAS:

□ What is Self-reporting? (need unofficial transcript)

- You enter your HS grades/credits on your application. The reason colleges do this is because this speeds up the decision timelines by about 4 weeks.
- You have one set of grades to input, where if the college did it for everyone, they have over 20,000 sets of grades, which is a lot of grades. This way, we can have the self reported grades in our system, we can verify these grades by a review of the transcript and make any needed changes as needed, but the initial data is already in our system for initial analysis of the applicant pool to cut down on data entry delay.

□ What is Super-scoring? process by which colleges consider your highest section scores across all the dates you took the SAT or ACT. Most colleges do this for admissions but most scholarship committees do not.

| ■ ACT Date | Eng | Math | Read | Sci | Composite |
|--------------|-----|------|------|-----|-----------|
| ■ 04/12/2014 | 29 | 23 | 34 | 25 | 28 |
| ■ 06/14/2014 | 26 | 20 | 28 | 27 | 25 |
| ■ 09/13/2014 | 25 | 25 | 35 | 34 | 30 |
| ■ SUPERSCORE | 29 | 25 | 35 | 34 | 31 |

**31 is a very competitive ACT score (36 is perfect)

□ ESSAY- PACS Eng. Dept. has seniors write a general essay that can be tweaked for many colleges, but college may require more or none

ATTENTION!!!

Deadlines are Important!

- ⦿ EARLY ACTION at most Universities is mid Oct. (UGA-Oct. 15, GT-Oct. 15, KSU-Nov. 1)
- ⦿ REGULAR DECISION Varies by college, some well into Spring (UGA-Jan. 1, KSU-Mar. 1, GSU-May 1)
- ⦿ Bottom line...you must check deadlines!

RESUME...USED FOR SOME COLLEGE APPS AND SCHOLARSHIP APPS

- Work on a personal resume/portfolio at the end of 9th grade...you'll forget by senior year! Tip: After Honors Day in May
 - Clubs, sports, activities, leadership positions, volunteer work, awards, work experience, etc.
 - Can keep on computer using your own format or *Family Connection/Naviance* or www.gafutures.org has a place to do this (my student portfolio)

- Used for job interviews, college/scholarship applications, & to help teachers with letters of recommendation.

HOW TO PAY FOR COLLEGE?

THE GOOD NEWS FIRST!

- ❑ From School Handbook/Briarwood Christian School in Alabama...Is there a fee for Dual Enrollment courses? Yes, for the 2020-2021 school year a 3-hour DE course was \$456 per semester. This amount covers all JSCC tuition and fees for one semester. *Parents pay the community college.*
- ❑ In Georgia...the state pays for DE courses up to 30 hours...the colleges we partner with charge approx. \$750 per semester for a 3-hour class.
- ❑ ***My personal experience: Prince Graduate with 21 hours (7 semester college classes) = \$5250 (x 3 girls = \$15,750)***
- ❑ ***We are getting a great deal!!!!***

TUITION:

- Average In-State Tuition*/year:
 - UGA =\$9552 (HOPE pays \$7200/15hrs)
 - GSU =\$7422 (HOPE pays \$5566/15hrs)
 - UNG-O =\$5460(HOPE pays \$4095/15hrs)
- Avg. fees/year=\$3000
- Avg. 7day meal plan/year=\$4000
- Avg. Residence Hall/year=\$5660
- Plus books, living expenses, parking pass, etc.
 - -----
 - **AVG. TOTAL: \$21,700**

*Average Out of State Tuition/year:=Normally 3 times in state tuition ...JUST TUITION...\$28,626/large, \$18,444/mid size

FINANCIAL AID:

- Any funding intended to help students pay for post-secondary education expenses
 - Grants (don't pay back)
 - Loans (pay back with interest)
 - Work study
 - Scholarships (don't pay back)

SOURCES OF FUNDING:

FEDERAL FINANCIAL AID: FAFSA (NEED BASED)

- Free Application for Federal Student Aid
- Need Based (grades not considered) and awards based on EFC (estimated family contribution), they will calculate your financial need
- Pell Grants, FSEOG (Fed. Supp. Educ. Opp. Grant), work study, loans,
- **FAFSA® changes from last year...
 - ****Can submit October 1 (rather than Jan. 1) 12th grade - Complete and submit FAFSA, money is awarded on a first come first serve basis**
 - ****Will be required to report income information from an earlier tax year (prior prior year). Class of 2022 report taxes from 2020**
- Must request a PIN # well in advance of completing FAFSA and signing electronically

- There are scam sites that require payment to fill out FAFSA.....DO NOT DO THIS! FAFSA is free. Official site is www.fafsa.ed.gov
- If you complete FAFSA...you are automatically registered for HOPE

FINANCIAL AID TIMELINE: SOME FINANCIAL AID IS OFFERED ON A FIRST-COME, FIRST-SERVED BASIS. HERE'S YOUR GUIDE TO STAYING AHEAD OF THE DEADLINES SO YOU DON'T MISS OUT ON ANY POTENTIAL FINANCIAL AID

STATE FINANCIAL AID:

- Main = Georgia Student Finance Commission (GSFC)
 - They maintain the GAFUTURES.org website
 - Dual Enrollment (DE) funding done here (old MOWR)
 - Apply for HOPE/ZELL here or via FAFSA

FINANCIAL AID: HOPE/ZELL

(AWARDS GOOD GRADES)

Hope: HOPE GPA (core only) is different than PACS overall GPA on transcript

- ❑ 3.0 Core GPA-CP/CPD diploma
- ❑ Must have 4 HOPE Rigor Courses
- ❑ Currently will pay app. 75-80% of previous years tuition (differs per college UGA 75%, Valdosta 87%, UNG 85%), subject to change each year (public college), mandatory fees and books no longer covered
- ❑ Student must maintain a 3.0 at all checkpoints once in college (end of Spr Sem. and every 30, 60, 90)

Zell Miller scholarship: Zell GPA (core only) is different than PACS overall GPA on transcript

- ❑ 3.7 Core GPA and at least a 1200 on M/V of SAT or at least 26 on composite score on ACT in *ONE test sitting*, or VAL/SAL from eligible high school
- ❑ Must have 4 HOPE Rigor Courses
- ❑ Will pay 100% tuition (public college), mandatory fees and books no longer covered
- ❑ Test scores will not count if taken after graduation date

FINANCIAL AID: HOPE DE/AP GRADE CONVERSION

- ⦿ **For HOPE calculations...**they will strip the points, convert the number to a letter, convert to GPA number and then add back a .5 GPA weight only. For example: DE MA102 grade=95 on Prince transcript (includes 10 pts), HOPE will strip points and take to an 85, then convert to a B which is a 3 on GPA scale. Because it's a DE course they will add .5 making it a 3.5 to be averaged with all other core classes.
- ⦿ **For College calculations...**some may do the same as HOPE but MOST will take grade as it appears on transcript. If HS gives weight they take as is.

EASY WAY TO FIGURE HOPE

Hope: HOPE GPA (core only) is different than PACS overall GPA on transcript

- 3.0 Core GPA-CP/CPD diploma
- Using .5 semester credits
- B line visual-for every C must have an A of same credit to balance back to an A
- Weighted classes will alter this a bit

This student needs to make ___/sem. A's to be HOPE eligible.

FINANCIAL AID: HOPE/ZELL

When to apply for HOPE/ZELL?

- ❑ 2nd half of senior year

How to apply for HOPE/ZELL?

- ❑ 1. FAFSA
 - ❑ 2. GAFUTURES.org (GSFAPPS) very simple!
-
- ❑ If not eligible out of High School = NEVER eligible
 - ❑ End of Spr. Sem. & 30, 60, 90 HOPE/Zell checkpoints in college (ONLY LOOKS AT GRADES EARNED AT THAT INSTITUTION/COLLEGE)
 - ❑ Students can only lose and regain HOPE/Zell ONCE.
 - ❑ HOPE can be used for a max. attempted hours or 7 years after High School Graduation

IMPORTANT!!!

- ✓ Counselors are a “resource” but do not take the place of the student/parents.
- ✓ Every College/University is very *DIFFERENT* and has different requirements...you must check early on and adhere to the requirements(foreign language, science, fine arts, etc.) The Guidance Department cannot know all requirements for all schools nationwide. Ex. some colleges have 3 ways to apply (their app, common app and coalition app) ~ ways to send transcript (some accept by mail, by portal, etc.)
- ✓ Be Responsible!
- ✓ Be Proactive!

GRADES...MOST IMPORTANT THING!

SEVERAL GPAS/NUMERICAL AVGS:

- Valedictorian(highest)/Salutatorian (2nd highest) Num. Avg. Core + Bible - Medal
- Honor Graduate (90 >) = Num. Avg. Core + Bible - Gold Cord with tassel
- Beta (90 >)= Num. Avg. All Classes - Gold stole
- NHS (95 >)= Num. Avg. All Classes - White stole
- College GPA = Refigured their choice
- HOPE (3.0 >)/ZELL (3.7 >)= GPA Core only (no Bible) AP/DE up-weighted by .5

STUDENT ATHLETES: (REGISTER BY END OF JUNIOR YEAR)

- NAIA: Register at www.naia.org

- NCAA: Register at www.ncaaclearinghouse.net
 - You will need a credit card
 - Must request a transcript be sent to them from all high schools attended in grades 9-12
 - Must send SAT/ACT scores to them
 - they will not take off of the transcript
 - Each agency is different as far as scores they use (ie: NCAA uses sum of 4 ACT subsections and will superscore & NAIA will NOT superscore for ACT, 1 test sitting)

SELECTIVE SERVICE:

- All 18-year-old Males **MUST** register with the Selective Service to be eligible to receive HOPE/Zell, Federal or State funds for college.
- Very Simple.....register at www.sss.gov

EXTRAS:

- ❑ Many colleges ask for “proof of lawful presence”...you can send a copy of drivers' license, or when you fill out FAFSA it will clear this
- ❑ Seniors make sure to send FINAL TRANSCRIPT which includes Graduation Date! I'll send end of year email with many important instructions....

EXTRAS:

- ❖ A lot of pressure senior year...transition year...you are not a kid anymore but not grown yet!
 - Pray a lot
 - Okay not to be perfect
 - Okay not to know where you are going and what you are doing
 - Don't believe everything you hear (seniors will tell each other all these grandiose plans and half are not true)
 - Seniors need parents more this year than any other (a lot of talking)
 - Beware of senioritis (I've seen some seniors do some pretty crazy things that have BIG consequences)
 - Know the limitations of your child (don't pile too much on them, don't over schedule them) help your child to know their limitations "depression starts when sleep ends"

HIGH SCHOOL VS. COLLEGE CREDITS

- No Carnegie units in college .5c./1c. HS only!
 - Colleges use semester hours ~ normal class = 3hrs.
 - Normal load = 12-15 hours/semester
 - Graduate w/ 18hrs... .1/2 way done with Fresh. year
 - 30 hours typically denotes sophomore year
- **tip: take difficult cores with some fluff to even out GPA
