## **STATEMENT OF BELIEF**

We believe that the Scriptures of the Old and New Testaments are inspired by God and inerrant in the original writing, and that they are the supreme and final authority in faith and life.

We believe in one God who exists eternally in three persons:

- the Father Almighty, who created all things, visible and invisible, for His own glory and purpose.
- the Son, our Lord Jesus Christ, who, being one in substance with the Father, came down from Heaven, was conceived of the Holy Spirit, born of the virgin Mary, died as the substitute for our sins, rose bodily from the grave according to Scripture, ascended to Glory to serve as our Advocate, and will come again to judge all humanity.
- the Holy Spirit, who, being equal with the Father and Son, proceeds from them to convict the world of sin, to seal, equip and empower God's people.

We believe that man was created in the image of God by a direct act of God and did not evolve from existing forms of life. The historical Adam, acting as the representative of all humanity, sinned and thereby incurred not only physical death but also spiritual death which is separation from God. Consequently, all humans are born with a sinful nature.

We believe that salvation is by grace through faith apart from works of the law, secured by the finished work of the Lord Jesus Christ, and granted to all who place their faith in Jesus Christ. We further believe in the eternal security of all those who are genuinely saved.

We believe that the will of God is summarized in these two commandments: The first is, "You shall love the Lord your God with all your heart, with all your soul and with all your strength." The second is this, "You shall love your neighbor as yourself."

## **STATEMENT OF BIBLICAL MORALITY**

When an individual becomes a member of a community, he or she always lays aside certain personal rights for the good of the total community. To this end, it is understood that those who accept positions of leadership, employment, or volunteer service within Prince Avenue Christian School, and enrolled students and their parent(s)/legal guardian(s) are to commit themselves to uphold the standards as cited in this statement.

PACS stands firmly upon the historical truth claims and moral foundations of Christianity. This includes, but is not limited to, the biblical definition of marriage, the attendant boundaries of sexuality and moral conduct, and the clear biblical teaching that gender is both sacred and established by God's design.

In addition, the Board of Trustees urges parents, leaders and employees to recognize their scriptural responsibility (Deuteronomy 6:1-9, Psalm 78:5, 6, Proverbs 22:6) to provide their children with a Christian education and to understand that the primary responsibility for this task rests with the parents (Ephesians 6:4). PACS was founded and continues to operate upon biblical values and the desire and commitment for Bible-believing Christian parents to enroll their children in an intentionally Christian environment. PACS will accept students who are willing to support the school's philosophy of Christian education, student conduct requirements, and the school's stated positions and whose parents are willing to allow their children to be educated and influenced in an intentionally Christian environment. Continued enrollment at PACS is contingent upon this same understanding and support by both the student and parents.

PACS is a religious institution providing an education in a distinct Christian environment, believing its biblical role is to work in conjunction with the home to mold students to be Christ-like. On occasions in which the atmosphere or conduct within a particular home or the activities of the student are counter to or in opposition to the biblical lifestyle the school teaches, the school reserves the right, within its sole discretion, to refuse admission of an applicant or discontinue enrollment of a current student. This includes, but is not necessarily limited to, living in, practicing, condoning, or supporting sexual immorality, including but not limited to, sex outside of marriage, homosexual acts, bi-sexual acts; gender identity different than the birth sex chromosomal level; promoting such practices; or otherwise, the inability to support the moral principles of the school (Leviticus, 20:13a, Romans 1:27, Matthew 19:4-6).

PACS believes that humanity's creation in the image of God included ability to choose between right and wrong; thus, individuals were made morally responsible for their choices. Since the fall of Adam, people are unable, in their own strength, to be right. This is due to original sin, which is not simply the following of Adam's example, but rather the corruption of the nature of each mortal and is reproduced naturally in Adam's descendants. Because of it, humans are very far gone from original righteousness, and by nature are continually inclined to evil. They cannot of themselves even call upon God or exercise faith for salvation. But through Jesus Christ the prevenient grace of God makes possible what humans in self effort cannot do. It is bestowed freely upon all, enabling all who will to turn and be saved. This is validated by Genesis 6:5; 8:21; Deuteronomy 30:19; Joshua 24:15; 1 Kings 20:40; Psalms 51:5; Isaiah 64:6; Jeremiah 17:9; Mark 7:21-23; Luke 16:15; John 7:17; Romans 3:10-12; 5:12-21; 1 Corinthians 15:22; Ephesians 2:1-3; 1 Timothy 2:5; Titus 3:5; Hebrews 11:6; and Revelation 22:17.

PACS believes that every person is created in the image of God, that human sexuality reflects that image in terms of intimate love, communication, fellowship, subordination of the self to the larger whole, and fulfillment. God's Word makes use of the marriage relationship as the supreme metaphor for His relationship with His covenant people and for revealing the truth that this relationship is of one God with one people. Therefore, God's plan for human sexuality is that it is to be expressed only in a monogamous lifelong relationship between one man and one woman within the framework of marriage. This is the only relationship that is divinely designed for the birth and rearing of children and is a union made in the sight of God, taking priority over every other human relationship. This is validated by Genesis 1:27-28; 2:18, 20, 23-24; Isaiah 54:4-8; 62:5b; Jeremiah 3:14; Ezekiel 16; Hosea 2; Malachi 2:14; Matthew 19:4-6; Mark 10:9; John 2:1-2, 11; 1 Corinthians 9:5; Ephesians 5:23-32; 1 Timothy 5:14; Hebrews 13:4; and Revelation 19:7-8.

PACS believes the teachings of the Scriptures regarding marriage and divorce; we affirm that sexual relationships outside of marriage and sexual relationships between persons of the same sex are immoral and sinful. We further affirm that heterosexual monogamy is God's plan for marriage, and we regard sexual sin, such as adultery and homosexual behavior, as the only biblical grounds for considering divorce, and then only when appropriate counseling has failed to restore the relationship. PACS abhors the trend to ignore God's laws of chastity and purity and vigorously opposes public acceptance of sexual promiscuity and all factors and practices that promote it. The school maintains a biblical view of human sexuality that makes the sexual experience, within the framework of marriage, a gift of God to be enjoyed as communion of a man and woman, as well as for the purpose of procreation. Sexual relationships outside of marriage and sexual relationships between persons of the same sex are immoral and sinful. The depth of the sinfulness of homosexual practice is recognized, and yet we believe the grace of God sufficient to overcome both the practice of such activity and the perversion leading to its practice. This is validated by Exodus 20:14, 17; 22:19; Leviticus 20:10-16; Matthew 5:32; 19:19; Mark 10:11-12; and Luke 16:18.

Gender differentiation and male/female uniqueness are part of a divine design that God indelibly engraved upon creation. God gives our bodies to us for spiritual and relational purposes, as well as physical ones. It is His desire that the most fundamental distinctions we experience as human beings should remind us that our completeness is ultimately found in communion with Himself and others. For this reason, "The Lord God

said, 'It is not good for the man to be alone. I will make a helper suitable for him'" (Genesis 2:18). Personal fulfillment involves intimate fellowship and union with God, as exemplified by the ideal of Christ as the bridegroom and the Church as His bride (Ephesians 5:22-32; Revelation 19:7-9). Based on our biblical and theological study, there is no argument for a "third gender" among humans. Gender confusion and dysphoria are ultimately the biological, psychological, social and spiritual consequences of the human race's fallen condition. This state of depravity affects all persons individually and collectively. While society is at liberty to legitimize any behavior, it chooses simply by reclassifying and renaming it, Christ-followers adhere to biblical boundaries. It is our Christian conviction that renaming them cannot normalize sin and its expressions. We call upon biblical Christians to continue to accept their role as witnesses who speak prophetically about the need for repentance and sanctification in every culture.

## **MARRIAGE, GENDER, AND SEXUALITY STATEMENT**

We believe that God wonderfully and immutably creates each person as male or female. These two distinct, complementary genders together reflect the image and nature of God (Genesis 1:26-27). We believe that the term "marriage" has only one meaning: the uniting of one man and one woman in a single, exclusive union, as delineated in Scripture (Genesis 2:18-25). We believe that God intends sexual intimacy to occur only between a man and a woman who are married to each other (1 Corinthians 6:18; 7:2-5; Hebrews 13:4). We believe that God has commanded that no intimate sexual activity be engaged in outside of a marriage between a man and a woman. We believe that any form of sexual immorality (including adultery, fornication, homosexual behavior, bisexual conduct, and use of pornography) is sinful and offensive to God (Matthew 15:18-20; 1 Corinthians 6:9-10). We believe that in order to preserve the function and integrity of PACS as Christian ministry, and to provide a biblical role model to the PACS families, it is imperative that all persons employed by PACS in any capacity, or who serve as volunteers, agree to and abide by this Statement on Marriage, Gender, and Sexuality (Matthew 5:16; Philippians 2:14-16; 1 Thessalonians 5:22). We believe that God offers redemption and restoration to all who confess and forsake their sin, seeking His mercy and forgiveness through Jesus Christ (Acts 3:19-21; Romans 10:9-10; 1 Corinthians 6:9-11). We believe that every person must be afforded compassion, love, kindness, respect, and dignity (Mark 12:28-31; Luke 6:31). Hateful and harassing behavior or attitudes directed toward any individual are to be repudiated and are not in accord with Scripture.

## **FINAL AUTHORITY IN MATTERS OF BELIEF AND CONDUCT STATEMENT**

The Statement of Faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of all that we believe. For purposes of PACS's faith, doctrine, practice, policy, and discipline, our Board of Trustees is PACS's final interpretive authority on the Bible's meaning and application.

## **EDUCATIONAL PHILOSOPHY**

### **Academic Discipline**

A quality academic program places legitimate demands on students on a regular basis so that, while academic lessons are being learned, the student is also developing character through discipline. This is especially true in the Christian context. We have the opportunity to instill character in our students that will bear the fruit of glorifying God. Our goal is to prepare our students to live as representatives of Christ in any vocational field to which God calls them.

Each academic discipline provides opportunities to learn about God's nature and prepare students for future spiritual usefulness.

- The Bible curriculum gives students a foundational knowledge of Bible content and a growing desire for spiritual insights into God's purposes and practical application to their lives.

- The Language Arts curriculum develops skills that students need in order to effectively communicate to others the valuable spiritual truths God has developed in their lives, to understand what the Lord has done in the lives of others, and to understand what He tells them directly from His Word.
- The Math curriculum reflects the orderliness and wisdom of God.
- The Science curriculum establishes God as Creator and Sustainer of the physical world He has provided for us, and in which He illustrates many aspects of His nature.
- The Social Studies curriculum shows how God has been active in every age to accomplish His purposes, thus providing insights and applications for today.
- The Physical Education program is designed to help students understand their physical body and how it fits into God's plan for them as people created in His image.
- The Fine Arts Education program releases the creativity within each student and allows each student to use that creativity to glorify God.

## **Instructional Discipline**

The teachers at Prince Avenue Christian School are committed to doing their best to educate and equip our students to live for Christ. In evaluating our faculty, as well as non-teaching staff, there are three basic areas of consideration. They are:

### **Spiritual**

Our teachers are to love the Lord first and foremost in their lives. They are to have a clear testimony of salvation by grace through faith in the Lord Jesus Christ and a desire to grow in that relationship. They are to be faithful in their support of a local, Bible believing church. They are to be men and women who are committed to prayer, in general, and for their specific students. They are to have a sense of calling to Christian education.

### **Educational**

Our teachers are to be competent in the subject/grade level in which they teach. They are to hold at least a bachelor's degree from an accredited college or university. They are expected to demonstrate adequate academic preparation and classroom management skills which will enable them to provide instructional services to students using a traditional or online format. They are to be involved in regular activities that will further improve their abilities to teach effectively.

### **Relational**

Our teachers are to love the children and young people who are a part of Prince Avenue Christian School. Our teachers understand that love and compassion can produce far more effective results than mere mechanics. Our teachers are to understand the importance of maintaining open communication and trust with their students' families and will work to ensure that those relationships are healthy ones.

### **Academically, the school endeavors:**

- to promote high academic standards within the potential of each individual as a unique creation of God and to help students realize their full academic potential (Colossians 3:23)
- to help students gain a thorough comprehension and command of the fundamental processes of reading, writing, speaking, listening, and mathematics (II Timothy 2:15)
- to teach and encourage the use of effective study habits (II Timothy 2:15)
- to teach students how to perform independent research and to reason logically (Proverbs 2:1-10; I Corinthians 14:40)
- to motivate students to pursue independent study in areas of personal interest (I Corinthians 12:14-21)
- to develop creative and analytical thinking and the proper use of Biblical criteria for evaluating and defending one's beliefs (I Peter 3:15)

- to promote effective citizenship through an understanding and appreciation of our Christian and American heritages of responsible freedom, human dignity, and respect for authority (I Corinthians 12:28; I Thessalonians 4:1-12)
- to discuss world issues and relate them to God's plan for man (I Corinthians 12:28; Isaiah 9:6-7)
- to promote the development of the student's understanding, appreciation, and personal expressions of the fine arts (Genesis 2:8-9).

**For students' spiritual and moral growth, the school seeks:**

- to teach the Bible as God's inspired Word and to help students develop attitudes of love and respect toward it (II Timothy 3:16)
- to teach the basic doctrines of the Bible
- to lead students to a decision of confessing Jesus Christ as Lord and Savior (Romans 10:9-11)
- to develop a desire to know and to obey the will of God as revealed in the Scriptures (John 14:23)
- to equip students to carry out the will of God in their daily lives (II Timothy 3:17)
- to impart an understanding of each Christian's place in the church and an understanding of the church's worldwide tasks of witnessing, evangelizing, and discipling and to stimulate each student's involvement in such tasks (Matthew 28:19-20)
- to develop the mind of Christ toward godliness and sin and to teach students how to overcome sin (II Corinthians 5:17-21)

**For students' personal development, the school aims:**

- to encourage the development of self-discipline and responsibility in students based upon submission to God and on proper authority in accordance with God's Word (II Timothy 2:15-16)
- to encourage spiritual growth through personal Bible study, prayer, service, and application of Biblical principles to every part of life (Joshua 1:8).
- to help students in developing an understanding as well as an acceptance of themselves as unique individuals created in the image of God and to help them attain their fullest potential (Psalms 139:14-15)
- to teach students to treat all people with love and respect since they too are made in God's image (Ephesians 4:32)
- to assist students in becoming contributing members of society (I Timothy 4:12)
- to promote an understanding of time as a God-given commodity and the responsibility for effective use of it (Ecclesiastes 3:13)
- to teach a Biblical view of life and work and to provide skills for personal relationships and future endeavors (Psalms 90:12, 17)
- to develop positive Biblical attitudes toward marriage and the family and the understanding and skills needed to establish God-honoring homes (Exodus 20:12)
- to promote physical fitness, proper health habits, and wise use of the body as the temple of God (Romans 12:1; Philippians 3:21)
- to impart Biblical attitudes regarding God's ownership as well as our stewardship of all things (Ephesians 4:32; 5:1-2)
- to teach manners and politeness; teaching girls to be ladies and boys to be gentlemen
- to support their local church (Hebrews 10:23-25)
- to discourage dating relationships among those students who are too immature to handle the emotional trauma and temptations sometimes associated with such relationships (II Timothy 2:22; Song of Solomon 2:7).

**Instructional Staff**

All full-time teachers shall be graduates of a recognized college or university and hold a minimum of a bachelor's degree. All full-time classroom teachers must meet the standards for certification through ACSI.

## SCHOOL HISTORY

Through the vision of Pastor Bill Ricketts, the school opened in 1978 in downtown Athens as a ministry of Prince Avenue Baptist Church. The school got its start by meeting in the church's facilities, and new grades were added each year with the first class of three students graduating in 1986. During those early years, students were taught using the self-paced Accelerated Christian Education System, and traditional classroom instruction evolved as the school matured. As the school grew, the mascot was changed from the Minutemen to the Wolverines, and the school earned accreditation by the Association of Christian Schools International (ACSI) and the Southern Association of Colleges and Schools (SACS). The early years saw membership in the Georgia Christian Athletic Association (GCAA), but as the school grew, it became a member of Georgia High School Association (GHSA), which was followed by its relocation to a new 40-acre campus in Oconee County.

Once relocated on the Oconee campus, the school continued to grow and new academic and cocurricular activities were added. Today, the school is accredited by the rigorous standards established by the Southern Association of Independent Schools (SAIS), the Southern Association of Colleges and Schools (SACS), Cognia (formerly AdvancED) and the Association of Christian Schools International (ACSI), and offers academic courses that include honors, advanced placement, and dual enrollment classes. The fine arts program includes award-winning visual, choral, drama, band, and performing arts. The school's robust athletic program has organized sports from second to twelfth grade with fourteen varsity sports and multiple GHSA region championships; yearly, several graduates are recruited to play college athletics. Teaching from a biblical worldview with God's word as its foundation, Prince Avenue Christian School places a strong emphasis on its covenant model that admits families who are professing believers in Jesus Christ. The school's strategic goal is to inspire young men and women to become fully devoted followers of Jesus Christ and to challenge them to achieve their highest academic, artistic, and athletic potential.

## ADMISSIONS

### Admissions Procedures

*Prince Avenue Christian School (PACS) does not discriminate on the basis of race, color, birth gender, ethnic origin or age in its employment or admissions.*

Attendance at PACS is a privilege. The school reserves the right to refuse enrollment to any student or students of families who have demonstrated disharmony regarding the purpose, objectives, standards, policies, rules or regulations of the school.

Prince Avenue Christian School believes that in order to provide the best academic and spiritual training, we must make certain exclusions. We, therefore, choose not to accept for enrollment students who are not in good standing with the institution in which they are presently and/or previously enrolled, high school students who do not wish to attend PACS, or any student whose needs cannot be met academically, behaviorally, or spiritually. We believe that the standards of Prince Avenue Christian School are easier to maintain when the students' and parents' attitudes are in agreement with the school's philosophies and policies. This cooperation helps to support the standards here at PACS. Those who are not in agreement with the school's philosophies and policies need not apply/enroll.

As a Christian school, we are committed to serving as a partner with Christian parents to develop "students who are followers of Jesus Christ who are pursuing their purpose for the glory of God, applying knowledge with Godly wisdom, communicating God's love to others and sharing their God-given resources in biblical ways" (Prince Avenue Ends Statement).

We consider it essential that our students and families believe The Word of God is the final authority on all matters of faith and conduct. Therefore, items expressly forbidden in the Scripture are never acceptable. Included among these are such as, but not limited to drunkenness, stealing, lying, the use of slanderous or profane language, pornography, addictive behaviors of any kind, extramarital sex, and homosexual behavior.

Also condemned by Scripture are such attitudes as greed, jealousy, pride, lust, bitterness, hostility, an unforgiving spirit, and prejudice based on race, birth gender, and socioeconomic status. Therefore, Prince Avenue Christian School strives to see these attitudes eliminated as evidenced in speech and action and replaced by Christ-like attitudes appropriate for maturing Christians.

We also believe that our parents and students should be involved in a local community of believers in order to best develop a strong relationship with God, and to learn to minister to one another as Christ commands. Regular attendance infers normal involvement in the community of believers, and may include attendance at worship services, Sunday school or community or youth/children's groups.

Applicants may be asked to accompany their parents for the interview. A prospective student is encouraged to visit the school for at least half of a school day to evaluate whether PACS is the academic institution for them. In some cases, this may be a requirement initiated by the school.

For students entering 6<sup>th</sup>-12<sup>th</sup> grades, spiritual disposition and development is considered, as well as academic, behavioral, and social needs.

Students who are admitted to PACS as a transfer or first-time student will be received into the appropriate grade level on the following terms:

### **PreK**

- Students in PreK-3 must be three (3) years old on or before September 1<sup>st</sup>. PreK-3 students must demonstrate age appropriate behavior (e.g., must be potty trained).
- Students in PreK-4 must be four (4) years old on or before September 1<sup>st</sup>. PreK-4 students must demonstrate age appropriate behavior (e.g., must be potty trained).

### **Kindergarten through 12<sup>th</sup> grade**

During the first grading period of each year, grade level placement will be considered probationary. Within that time, all factors will be reviewed in order to place the child in the appropriate grade. All students must demonstrate age appropriate behavior.

- Kindergarten students must be five (5) years old on or before September 1.
- First grade students must be six (6) years old on or before September 1.
- Records from previous schools must be received.
- All new kindergarten through 12<sup>th</sup> grade students must successfully complete and meet required guidelines through the PACS admission testing and evaluation procedure.
- Students are required to successfully complete the previous grade level. (Recommendations from previous school educators as well as standardized test scores will be considered.)
- Students who have been expelled or are not in good standing from a previous school may not be eligible for enrollment to PACS.

- Enrolled and having chosen a payment plan through FACTS Tuition Management (online)
- All students who desire to attend PACS on an I-20 will have an additional application fee for international Visa processing (see International Fees under Financial information).

Parents of all students are responsible for supplying the needed information to Prince Avenue Christian School and for ensuring that their child's records remain up-to-date by notifying the school as significant changes occur (i.e., phone numbers, work locations, emergency contacts, family physician, etc.).

## **Re-enrollment Procedures**

Re-enrolling students must be in compliance with all requirements for enrollment. Attendance at PACS is a privilege. The school reserves the right to refuse re-enrollment or re-admission to any student or students of families who have demonstrated disharmony regarding the purpose, objectives, standards, policies, rules, and regulations of the school. In addition, no family may be re-enrolled or re-admitted unless all financial obligations have been met from the previous school year and the student has positive behavior and has made academic progress.

By February of each year parents will be provided with re-enrollment instructions to re-enroll for the following year. There will be a two-week period during which all returning families may re-enroll and secure their child's place for the upcoming school year. After the two-week re-enrollment period has expired, the child is not guaranteed a space in his or her class. A reenrollment fee per student is required to secure a seat in the upcoming school year. Further details including the fee structure and the reenrollment process will be distributed in January.

## **Withdrawals and Dismissals**

Initial acceptance and reenrollment contracts with Prince Avenue Christian School represent a binding agreement between a family and the school for the contract period, which is one school year. Because teachers' contracts, school services, and curriculum and supplies are funded and purchased at the beginning of each school year based upon student enrollment, honoring the one-year contract period is necessary to ensure the school delivers the services agreed upon after students are enrolled. Exceptions to this contract commitment include:

- **Withdrawal Following Reenrollment and Prior to the First Day of School**

If a student is withdrawn after reenrollment but before the first day of school, the contracting party forfeits the reenrollment fee and will be accessed two full months of tuition for the upcoming school year. Following the receipt of two full months of tuition for the upcoming school year AND after all outstanding financial balances are paid, the contracting party will be released from the remaining tuition balance for the upcoming school year.

- **Withdrawal Following the First Day of School**

If a student is withdrawn after the first day of school, tuition for the remainder of the school year is required. Case by case exceptions may be granted by the head of school for reasons such as relocation, change in marital status, and employment termination (loss of income). All requests must be submitted in writing.

School records (i.e., Report cards, transcripts) will only be released if the student's account is current. Official records will only be released to another school.

## FINANCIAL INFORMATION

The PACS Business Office is comprised of several staff members who work collectively to assist families with financial questions and concerns. To ensure a timely response to your question, please email [businessoffice@princeave.org](mailto:businessoffice@princeave.org) so that the next available team member can provide assistance.

### Tuition Rates

Please see the current Tuition Schedule located at <http://www.princeave.org/admissions/tuition-fees>

**Tuition Discounts** (if a family qualifies for multiple discounts, the following order will be used for calculation)

- **Prince Avenue Baptist Church Member and Financial Contributor**
  - A 10% tuition discount is available for families who are active members of PABC who meet the following criteria:
    - Parents or guardians of the PACS student(s) are members of PABC
    - Family church attendance is regular
    - The family has contributed financially to the church in the preceding 12-month period measured March - February an amount that is equal to or greater than the discount amount per student
      - Example: The Johns family has three students at PACS. Using the 10% discount amount with the 2021-22 tuition rates, the minimum financial contribution to the church is calculated as:
        - Student I in 10<sup>th</sup> grade:  $\$11,940.00 \times 10\% = \$1,194.00$
        - Student II in 8<sup>th</sup> grade:  $\$11,940.00 \times 10\% = \$1,194.00$
        - Student III in 5<sup>th</sup> grade:  $\$10,560.00 \times 10\% = \$1,056.00$
        - Total PABC contribution minimum = \$3,444.00
  - For families who currently receive the PABC discount, the school will verify membership with the Prince Avenue Baptist Church office and verify that the minimum financial contribution level has been met in March of each year to confirm eligibility to receive the discount for the next school year
  - For families who meet the criteria for the first time and who wish to be considered for the PABC discount, please send an email to [businessoffice@princeave.org](mailto:businessoffice@princeave.org).
  - Discount eligibility will be determined in March for the following school year for returning families and will be determined at official acceptance for new students.
  - PABC Discounts will be applied on a per student basis and partial discounts for a student are not available. For families who have multiple children at PACS, it is possible to receive the PABC discount for one student, but not another, based upon the family's giving level to PABC.
- **Ministerial Discount**
  - Full-time ministers may receive a 10% tuition discount for each student.
  - A letter from the church governance body (e.g., Board of Deacons, the Session, the Elder Board etc.) is required to verify discount eligibility.
- **Multi-child**
  - A \$500 discount is available for each additional child beyond the first student in a family.
- **Lump Sum Advance Payment**
  - A 4% discount off the tuition balance owed is available for a student whose tuition is paid in full by June 15<sup>th</sup>.
  - A 2% discount off the tuition balance owed is available for a student whose tuition is paid in full by August 2<sup>nd</sup>. (For returning PACS families, the June 15<sup>th</sup> and July 15<sup>th</sup> payments will be required as if a monthly payment plan was being utilized, but the discount will be applied if the full amount is paid by August 2<sup>nd</sup>.)

- For families with multiple students at PACS, it is possible to use the lump sum payment option for some students and the monthly payment option for others within the same school year.
- **PreK Pricing**
  - Tuition discounts are not offered for PreK students.
- **Financial Assistance**
  - Financial aid, scholarships and special programs related to tuition assistance are covered in a later section of this handbook.

## Incidental Expenses

In an effort to keep general tuition for all students at an affordable rate, those students who elect to participate in co-curricular activities and use auxiliary services will be assessed incidental fees that are necessary in order to cover the costs of administering each optional activity. Examples include athletic team participation, cafeteria purchases, bus transportation, etc. In addition, services or items that are provided as an “add-on” (examples: field trips, t-shirts, supply fees, graduation fees, technology fees for high school, etc.) will be charged on a student’s FACTS account as an incidental expense.

The school will post incidental charges to a student’s FACTS account as they are incurred. The processing time depends on the nature of the charge, with the following as a guideline:

DESCRIPTION	WHEN ITEM IS POSTED TO FACTS
Cafeteria & snack purchases	Daily – usually by 3pm
Before School, After School & PreK Extended Day Programs	Weekly – either Friday afternoon, or the following Monday
Educational Student Support	Weekly – either Friday afternoon, or the following Monday
Wolverine General Store	Monthly
Athletic Participation	After team roster is finalized
Athletic Add-on Items	As required by the coach
Fine Arts Participation	After the production cast/crew team is finalized
1:1 Program (Technology)	Monthly
Bus Transportation	Charges for daily riders will be posted the following school day. Monthly riders are billed once per month
Co-Curricular Activities	Varies depending on activity
Field Trips	As student participation is known

Due to the individual charge volume for most students, an email is NOT sent each time a charge is posted to a FACTS account. On-line access is available 24/7 to monitor your incidental charges on an as-needed basis as well.

All charges for a one-month period are accumulated on an invoice that is emailed on the 5<sup>th</sup> day of each month. This invoice will be due on the 1<sup>st</sup> day of the following month (approximately a 25-day payment window). Please note that if the 1<sup>st</sup> day of a month is a weekend or holiday, payment is due the following business day. Also, at the end of each school year a revised invoice/payment schedule is implemented to facilitate year-end wrap up.

A summary of incidental fees by grade and by activity is now available. This new resource is being provided to assist families in budgeting for anticipated activities and costs. Visit the PACS website at Admissions > Tuition & Fees.

## Payment

### FACTS

PACS utilizes the FACTS Tuition Management Company, and each family is assigned an account upon acceptance at factsmgt.com.

- The FACTS account is the unified billing and payment mechanism for the school.
  - All tuition charges and payments are processed in the FACTS software.
  - FACTS provides a streamlined communication process between teachers and parents to assist with collecting funds for co-curricular activities (e.g., field trips, band instrument rentals, athletic apparel, etc.).
  - Families who take advantage of auxiliary services including the cafeteria, before/after school program, bus transportation, and Educational Student Support services are charged in FACTS and can remit payment for these services.
- Each family has an on-line portal with 24/7 access to:
  - Review customer information
  - Change linked bank accounts and or credit card accounts
  - Make payments
  - Review prior charges, invoices and payments
  - Review upcoming scheduled payments
- FACTS can also be reached by phone at 1-866-441-4637
- FACTS charges an annual fee per family which is NOT included in the base tuition rates:
  - \$20.00 for tuition payments that are made in one or two installments.
  - \$50.00 for monthly tuition payments
  - This fee is due annually when the tuition payment plan is finalized.
- FACTS uses the terminology “Payment Plan” for tuition. All other charges including required fees, co-curricular activities and auxiliary services are billed as “Incidental Expenses.”

### Payment Methods

- **Tuition**
  - Link a bank checking/savings account in FACTS to have tuition payments automatically drafted from your account on the scheduled due date(s).
    - There are no fees associated with this payment method.
  - Link a credit card in FACTS to have tuition payments automatically charged on the scheduled due date(s).
    - FACTS charges a credit card convenience fee of 2.85%.
- **Incidentals**
  - Enroll in auto-pay for incidentals.
    - Families will receive invoices by email that provide the details for each charge. A minimum of ten days will pass after receiving an invoice before the payment is due. The invoiced amount will automatically be debited from your bank account or charged to your credit card (fee applies) on the due date.
  - Manually authorize each payment.
    - Families will receive invoices by email that provide the details for each charge. A minimum of ten days will pass after receiving an invoice before the payment is due. Using your on-line account, or by calling FACTS at 1-866-441-4637, a family must authorize the payment of each invoice.
  - Send payments by check to FACTS with Prince Avenue Christian School listed on your check as well as your customer name and student name(s):

FACTS  
PO Box 82527  
Lincoln NE 68501-2527

- **Payments made at the school**
  - If possible, please use the payment options listed above which result in your funds being transferred directly to FACTS without requiring manual processing at the school. Payments received directly at the school will be posted to your FACTS account, however, we kindly request that this payment method be used sparingly due to limited staffing for payment processing in the PACS business office.
  - Payments by Check
    - Checks should be made payable to PACS.
  - Payments in Cash
    - Cash is accepted; however, we do not maintain funds on hand to make change.
  - Payments by Credit Card
    - PACS will add a 2.5% convenience fee for credit card payments made at the school to cover the bank fees associated with this type of payment.

### **Tuition Payment Plan Options**

Families who are new to PACS are provided with the following choices during their initial FACTS set-up. Families who reenroll for the next school year are automatically set-up with the payment option that they are currently using. Families can convert to the alternate payment plan during the reenrollment process by contacting [businessoffice@princeave.org](mailto:businessoffice@princeave.org).

- **Lump Sum Advance Payment**
  - Payments received in full by June 15<sup>th</sup> are eligible for a 4% discount off the tuition balance.
  - A 2% discount off of the tuition balance is available if payment is received in full by August 2<sup>nd</sup>. (Monthly payments for June and July are still required with this option)
  - If the tuition balance is not paid in full by these dates, the discount will be removed, and the family will be contacted to determine if a monthly payment plan is more appropriate.
- **Monthly Payments**
  - The tuition balance is divided into 12 monthly installments with the first payment due in June and the last payment occurring in May at the end of the school year.
  - To assist with family budgeting preferences, you can set your payment due date to either the 1<sup>st</sup> of each month or the 15<sup>th</sup> of each month.
- **Students Accepted at PACS after the first payment date in June**
  - For students who are accepted at PACS after the regular first payment date in June, the tuition amount owed will be condensed into fewer monthly payments so that the last tuition payment coincides with the school year end in May.
  - The regular PACS school year spans a ten-month period. Students who are admitted and attend any school days in that month owe the tuition for that month thru the end of the school year.

This table summarizes tuition owed based on the first day a student attends:

August	Full tuition divided into 10 payments
September	9/10 <sup>ths</sup> of tuition divided into 9 payments
October	8/10 <sup>ths</sup> of tuition divided into 8 payments
November	7/10 <sup>ths</sup> of tuition divided into 7 payments
December	6/10 <sup>ths</sup> of tuition divided into 6 payments
January	1/2 of tuition divided into 5 payments
February	4/10 <sup>ths</sup> of tuition divided into 4 payments

March	3/10 <sup>ths</sup> of tuition divided into 3 payments
April	2/10 <sup>ths</sup> of tuition divided into 2 payments
May	1/10 <sup>th</sup> of tuition made in 1 payment

## Early Withdrawal

Initial acceptance and reenrollment contracts with Prince Avenue Christian School represent a binding agreement between a family and the school for the contract period, which is one school year. Because teachers' contracts, school services, and curriculum and supplies are funded and purchased at the beginning of each school year based upon student enrollment, honoring the one-year contract period is necessary to ensure the school delivers the services agreed upon after students are enrolled. Exceptions to this contract commitment include:

- **Withdrawal Following Reenrollment and Prior to the First Day of School**

If a student is withdrawn after reenrollment but before the first day of school, the contracting party forfeits the reenrollment fee and will be assessed two full months of tuition for the upcoming school year (20% of the full tuition amount). Following the receipt of two full months of tuition for the upcoming school year AND after all outstanding financial balances are paid, the contracting party will be released from the remaining tuition balance for the upcoming school year.

- **Withdrawal Following the First Day of School**

If a student is withdrawn after the first day of school, tuition for the remainder of the school year is required. Case by case exceptions may be granted by the head of school for reasons such as relocation, change in marital status, and employment termination (loss of income). All requests must be submitted in writing.

## Returned Payments and/or Overdue Balances

Prince Avenue Christian School relies on each partner family to pay student tuition and incidental charges in a timely manner.

- **Returned Payments**

- FACTS charges a \$30 NSF (non-sufficient funds) fee for returned payments in addition to charges that your bank may assess.
- For returned tuition payments, FACTS will automatically reschedule the payment to be withdrawn/charged 15 days from the date the check is returned. Payments will be automatically scheduled and attempted a total of three times.
- PACS charges a \$25 fee per occurrence on late tuition payments and assesses a 2% per month late fee for unpaid incidental balances.

- **Payment Accommodations**

- In order to stop or make a change on a FACTS tuition or incidental payment, please make this request by email at least three (3) business days prior to the due date. Send an email to [businessoffice@princeave.org](mailto:businessoffice@princeave.org).
- If at any time you are unable to meet your financial obligations, please contact the business office to see if a plan can be arranged that will enable your student to continue at PACS.
- Requests for removal of charges and/or refunds are subject to administrative approval.

- **Delinquent Accounts**

- If tuition is 45 days late, the student will not be allowed to stay in class until the overdue balance obligation has been met.
- Both FACTS and PACS Business Office staff will make attempts to notify families of overdue amounts both by email and phone calls.

- The following actions relate to past-due accounts at particular points during the school year:
  - Beginning of School Year
    - Students may not attend classes without (1) an active tuition payment plan or (2) the tuition being paid in full in advance.
    - Students may not attend classes if there is an outstanding balance from the previous school year.
  - End of Each Quarter
    - Action will be taken on substantial past-due accounts (as described below).
  - End of First Semester
    - All outstanding tuition for the first semester must be paid before the Christmas break or the student will not be able to return to school in January.
  - Reenrollment (January/February)
    - Delinquent balances must be resolved prior to a student reenrolling for the following school year.
  - End of the School Year
    - Seniors may not participate in graduation, nor receive their transcript until their student account is paid in full.
    - PreK - 11<sup>th</sup> grade report cards and/or testing scores will be held until payment is received in full.
- PACS administration reserves the right to discontinue auxiliary and/or co-curricular activities for accounts that are greater than 45 days overdue. This includes, but is not limited to:
  - Restricting cafeteria & snack purchases
  - Inability to try-out for athletic sports
  - Inability to audition for fine arts productions
  - Inability to charge items to FACTS from the Wolverine General Store
- Delinquent balances are reviewed regularly and those with a substantial past due sum will warrant additional actions, which may include:
  - Holding report cards and/or transcripts
  - Limiting access to ParentsWeb for both the parents and student
  - Discontinuing student participation in co-curricular activities
  - Not permitting the student to attend classes until payment is received
  - Turning the balance over to a collection agency
- PACS utilizes a collection agency to recover compensation for payment of services rendered, which is at the sole discretion of the Head of School.

## **Tuition Assistance**

(including financial aid, scholarships and other programs)

### **Financial Aid**

Prince Avenue Christian School (PACS) provides financial aid to families based on need, which is computed by a mathematical formula utilizing the FACTS system. The funding is a combination of resources taken from the school's operating budget and the Georgia Private School Tuition Tax Credit Program (a re-allocation of state tax dollars awarded to PACS by families that contribute to the program). Families who want to request financial aid must do so, annually, by completing one financial aid application per family. The application can be found at <https://online.factsmgt.com/aid>.

The following criteria must be satisfied in order to be considered for financial aid tuition assistance:

- Demonstrate the need for financial aid by completing a financial aid application (FACTS charges \$40.00 per application) and by supplying all required documentation - PACS utilizes the FACTS Grant & Aid Assessment Service to facilitate the application and verification process. FACTS uses a mathematical formula to evaluate a family's household income and expenses. This service calculates an estimated need which is then compared against the need from other families who are also requesting aid to arrive at an equitable distribution of available funds. Instructions for submitting an application for FACTS Grant & Aid is covered in further detail in the next section.
- Enrolled for the upcoming school year - to be considered for financial aid a student must be a returning PACS student in good standing from the previous year OR a student who has successfully completed all steps in the application process and has been formally accepted to PACS for the upcoming year.
- FACTS account current - to be considered for financial aid, families with delinquent FACTS balances (those with overdue balances of 45 days or greater) will NOT be considered for financial aid until the account is paid in full.
- No PreK financial aid is available - Financial aid is not offered for students at the PreK level.

The deadline for applying for financial aid is at <http://www.princeave.org/admissions/financial-aid>.

- The financial aid application will be available in late January for consideration for the upcoming school year.
- Financial aid will be awarded beginning in March and will continue until July 1<sup>st</sup> or until funds are no longer available. The earlier you apply, the better likelihood of receiving aid.
- To receive aid prior to the first tuition due date, please apply for financial aid by May 1<sup>st</sup>.

Steps for applying for aid:

- Complete the financial aid application at <https://online.factsmgt.com/aid>.
- There is a one-time non-refundable fee of \$40.00 per family to submit a financial aid application. This can be paid by any major credit card (Visa, Master Card, American Express, Discover). This fee covers the cost of the manual review that a FACTS employee will perform to certify that the documents you submit in support of your application match the stated amounts.
- Send copies of required supporting documents to FACTS either by fax 1-866-315-9264 or by US Mail to:  
FACTS Grant & Aid Assessment  
P.O. Box 82524  
Lincoln, NE 68501-2524

Note: Depending on your application, some or all of the following documents may be required:

- Copy of your most recent IRS Federal Form 1040, 1040A, or 1040-EZ Individual Income Tax Return
- Corresponding W-2 Wage and Tax Statements
- Copies of supporting tax schedules (see specific list within the application)
- Copies of all supporting documentation for household non-taxable income such as Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and Temporary Assistance for Needy Families (TANF).

All recipients of financial aid are expected to remain in good academic standing, exhibit exemplary behavior and remain current in their financial obligations to the school. Failure to comply with any of these expectations may result in the termination of the financial aid award. If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at 1-866-315-9262.

## **ACADEMIC INFORMATION**

### **Overview**

- Christ-centered Education
- Variety of subjects offered

PACS strives to provide a Christ-centered educational environment where students will be encouraged, nurtured, and challenged spiritually, academically, emotionally, and physically. Instructional services will be provided to students using a traditional or online format. Our school offers a variety of subject areas, including Bible, Language Arts, Social Studies, Math, Science, Physical Education, Health, Art, Library Skills, Foreign Language, Speech, Music, and Computer. We have modern classrooms, spacious grounds, and up-to-date curriculum and equipment. Classes are teacher-directed, and a strong emphasis is placed on foundational skills.

### **Bible Teaching/Chapel**

Since PACS is a Christian school, daily Bible teaching is an integral part of the education offered. A person is not truly educated until he/she understands God's Word. We strive not only to teach the facts and principles of the Bible, but also to apply those teachings to everyday life. Inspirational chapel services are held weekly, during which time the students learn, sing, and hear testimonies and character building messages from the Word of God. Parents are invited to worship with us at chapel services. Chapel will be held on designated days throughout the year and the chapel uniform is required to be worn on chapel days throughout the year. These days will be announced at the beginning of the school year.

All students are required to have a traditional translation of the Bible for classes. Acceptable translations are the English Standard, King James, New King James, New American Standard, New International, Christian Standard or New Living Translation.

## **Lower School (PreK-5<sup>th</sup>)**

### **PreK & Kindergarten**

The PreK and Kindergarten classes at PACS provide a warm, nurturing experience focusing on the development of spiritual, social, and foundational academic skills. The students are exposed to a fascinating world of animals, people, and places that allows them to develop necessary language skills as well as to develop reading and writing readiness, eye-hand coordination, visual perception, and listening and thinking skills. Each day includes Bible stories, songs, prayer, scripture reading and memory, and character-building activities. Our preschoolers are delighted with their achievement in learning their letters and numbers. Our phonics-based reading readiness program carefully sequences activities in letter recognition, letter sounds, vowel formation (long and short), consonant-vowel blends, and one-syllable words with one or two vowels. Children enjoy counting and participating in activities that introduce number concepts and the formation of numbers. Preschool is also a time to develop a love and appreciation for good poetry, music, art, and drama through new and traditional media that are an important part of our program.

### **1<sup>st</sup> - 5<sup>th</sup> Grades**

PACS strives to partner with families in providing a Christian education in a safe, encouraging setting that will assist parents in raising their children to exemplify Christ above all else. Spiritual growth is nurtured within each child during regular times of sharing God's word through daily Bible classes, scripture memorization, songs, hymns, prayer, assemblies, and a weekly chapel program.

Early independence in reading is achieved by emphasizing word analysis and comprehension with an intensive phonics-based program. In the early lower school grades, our program motivates students to learn with genuine, early success in reading. In later years, we enrich the curriculum with award-winning books. We believe that language is a gift from God; therefore, we have carefully developed a traditional grammar program, which builds confidence in the students' capabilities in written and spoken language. Grammar is taught with the purpose of making clear to the students the orderly structure of their language and a picture of God's plan for the world and for their lives.

Students enjoy studying science and are thrilled to see the plan of God as it is revealed in His creation. Our science program provides a solid foundation based on the Word of God and Christian principles.

"His Story," recording the rise and fall of nations and individuals as they respond to God's truths, is the main focus of our Social Studies and geography programs in the lower school grades.

Physical education, health, music, art, foreign language and computer help round out a superior education with a Christian perspective.

Guided discussion in all subject areas provides students an opportunity to extend their thinking skills and apply their learning to other situations.

## **Middle and High School (6<sup>th</sup> -12<sup>th</sup>)**

PACS strives to develop outstanding citizens and leaders by participating in and promoting civic activity as we share Jesus with our community. We offer designed opportunities to develop leadership skills and to develop philosophies to become effective citizens within the framework of Christian faith and principles. PACS is committed to reach the world by embracing a proper Christian worldview that views other cultures and nations as a part of our mission field.

Our curriculum is focused on the academic and spiritual development of the student. Middle and high school are departmentalized with multiple teachers. Students progress through a balanced curriculum that stresses analysis and higher cognitive thinking skills in all core subject areas.

## **Co-curricular Eligibility**

In order to participate in co-curricular activities, students must meet or surpass academic standards.

Each semester's grade report determines eligibility for the following semester. If a student has a failing grade in more than one class, he/she is ineligible to participate for the duration of the following semester.

A student who is struggling academically may be placed on academic probation usually at the end of a quarter or semester and may be suspended from co-curricular participation for a period of time as a means to encourage greater academic success. Any decision involving a suspension will be made jointly by the appropriate department and middle or high school administration.

Withdrawal from a class after the normal two-week drop period will be considered a failure for co-curricular eligibility purposes. Exception to this guideline must be approved by administration.

Eligibility and ineligibility take effect on the first day of the new semester. Grades earned in the second semester of the school year determine the eligibility for the first semester of the following school year.

Any student who is ineligible to participate/play is ineligible to practice or work out with the team.

Student athletes who become eligible after a sport season has begun (for example, basketball or cheerleading) may be added to the roster, space permitting. These students will be added only if the following requirements are met: a positive faculty recommendation is received by the coach and athletic director; a positive administration recommendation is received by the coach and athletic director; and the ongoing sports team does not have a rule about joining its team in the middle of a season.

**NO ATHLETE WILL BE ALLOWED TO PARTICIPATE IN AN ATHLETIC CONTEST OR PRACTICE AT PACS UNTIL THE GHSA PRE-PARTICIPATION PHYSICAL, CONCUSSION, AND SUDDEN CARDIAC ARREST AWARENESS FORMS HAVE BEEN DIGITALLY SIGNED IN PRIVIT. A PRIVIT ACCOUNT MUST BE CREATED FOR EACH FAMILY AND EACH INDIVIDUAL STUDENT ATHLETE MUST BE ADDED TO THE FAMILY ACCOUNT.**

## **Academic Probation**

Students who are not maintaining current grade level standards may be placed on academic probation at mid-term, the end of a quarter or the end of a semester. Parents will be notified, and the administration will review each case on a continuing basis until the problem is resolved or until it is determined that a student's needs cannot be met at PACS.

## **Educational Student Support**

*Psalm 139:14 - I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well.*

### **What is it?**

The Educational Student Support (ESS) Program is designed to provide academic support to students with diagnosed learning differences in a college preparatory setting. Our program most often includes students with the following:

- Mild to moderate challenges in reading (dyslexia)
- Mild to moderate challenges with written expression (dysgraphia)

- Mild to moderate challenges with math (dyscalculia)
- Attention Deficit Hyperactivity Disorder (ADHD)

We only provide accommodations taken from the psycho-educational recommendations but may not include every recommendation. Additionally, students must demonstrate the intellectual potential to master a college-preparatory curriculum.

The goal of the program is to provide personalized support in order to maximize strengths in each student. We strive to help students realize that struggles in life are a way that God works in us and through us. We also focus on strategies to help students become self-advocates and guide them through the process of self-awareness. We encourage our students to grow as Jesus did – in wisdom, stature, and favor with God and man (Luke 2:52).

In order to create an educational support plan, a psycho-educational evaluation is required. This document must include the following:

- Administered by a clinical, school, or educational psychologist
- Current (within 3 years)
- State a specific learning difference or diagnosis
- Multiple battery of assessments

To continue enrollment in the program, a new diagnostic report is required every three years. Enrollment in the program is limited. Upon acceptance, a mandatory, yearly fee is required. Admission to the program is permitted throughout the year. A student's enrollment is automatically renewed each school year if testing is current, unless the parent requests removal. If a student withdraws from the program, but later requests admittance, the original enrollment process must be completed.

At Prince Avenue Christian School, we understand the importance of connecting with students and collaborating with parents. It is the strong partnership we establish with our families that allows us to meet the needs of our diverse learners. Our Educational Student Support Program instills a remarkable degree of confidence, creates a love of learning, and teaches students to advocate for themselves. ESS is housed in our on-campus Learning Center and the Director of ESS will review all psycho-educational testing reports and monitor the use and implementation of accommodations.

## **What Does the Learning Center Provide?**

### **Accommodations**

The Learning Center provides assistance to students with learning differences by reviewing all psycho-educational testing reports and monitoring the use and implementation of accommodations. This is all administered through the Director of ESS.

### **Separate Test-Taking Environment**

Test-taking services are also available in the Learning Center to qualifying students. Test taking accommodations are provided based on a student's learning difference and at an additional fee. Tests must be scheduled the Testing Coordinator in advance.

### **Tutorial Services**

Tutorial services are available to all Prince students who may need a temporary period of intervention to augment skills not mastered in the classroom. It is NOT designed as a study hall or homework lab. On-campus tutoring is arranged through the Director of ESS. Tutoring sessions are scheduled based on availability and only during non-academic classes. Students are encouraged to first utilize the supports provided by the regular classroom teachers such as help sessions, tutorials, etc. Tutoring does not replace the need for students to study on their own, nor does it guarantee an

increase in a student's grade. We expect our students to continue to be responsible for their learning while receiving tutoring services. A tutorial form is required and should be completed **prior** to any tutoring session.

### **Speech Services**

Speech Services are provided through Educational Student Support (ESS) with the Speech-Language Pathologist. Please contact the Director of ESS with any speech needs. Speech is open to all students.

## **Homework**

Homework is defined as all outside assignments that are averaged into the student's grade. Not all homework will be graded. Special long-term projects may require extra homework time. Homework is assigned for these purposes:

- For practice
- For drill
- For remedial activity
- For enrichment activity
- For special projects

We strive to limit homework assigned or generated for Wednesday evenings to allow families to attend Wednesday evening services at their church. However, this does not include work due Thursday that was assigned prior to Wednesday. Homework must be turned in on time.

Work missed due to an absence is expected to be completed. The time allowed to complete the work for absences is equal to the number of days absent. The calendar begins on the first day the student returns to school. An incomplete homework assignment may be recorded as a zero (PreK through 12). Homework that was assigned prior to the absence is due the next time the class convenes. Because of increased rigor and college credit implications of AP and Dual enrollment courses, these courses may have policies on work completion, acceptance, and makeup of missed assignments that are different from the school policy for all other courses. Differences in these policies will be clearly stated in the syllabus for the course.

## **Exams**

Middle School (6<sup>th</sup>-8<sup>th</sup>) students may be given comprehensive exams over material covered during the quarter/semester.

High School (9<sup>th</sup>-12<sup>th</sup>) students may be given exams in all core subjects. These exams will be comprehensive, testing/evaluating material covered during the semester. During semester exams, high school students will be permitted to leave school after the class of their exam has ended. Students who have an "A" average in a class will be exempt from taking the semester exam. Advanced Placement students and seniors do not take second semester exams. If a student accumulates five absences in a specific class during one semester, he/she will be required to take the semester exam regardless of his/her final semester average (see attendance policy sections).

Any make-up exams will be given as designated by the teacher or administration. Students who are late to their exam will have points deducted as determined by the principal and the time the student has to complete the exam will be limited to the assigned time for the exam.

No additional points are given to a failing grade. For Dual Enrollment classes, 10 numerical points (1.0 additional quality points) are added to the semester grade.

For permanent record purposes, the grades of high school students will be tabulated each year on a 4.0 scale as follows. Any high school class taken in middle school (Example: Algebra I and Geometry) will be included.

The following GPA weights are assigned to CP, AP, Dual and Honors grades:

	<u>College Prep</u>	<u>Honors</u>	<u>AP/Dual</u>
A = 90 – 100 . . . . .	4.0 . . . . .	4.5 . . . . .	5.0

### Graduation Requirements

Before graduating seniors receive their diplomas, the following requirements must be fulfilled:

- If a student fails to pass the required courses, he will not be able to participate in the graduation ceremony. The student will make up all work before August 1 to receive a diploma.
- All fees, charges, tuition, and monies for graduating seniors must be reconciled prior to graduation and release of final transcripts.

- Community service must be completed as a part of the school's Christian Character Development Program.
  - Community service hours will be completed in the following grade increments: 9<sup>th</sup> (10 hours); 10<sup>th</sup> (15 hours); 11<sup>th</sup> (20 hours); and 12<sup>th</sup> (20 hours).
    - One of the highlights of a student's experience at PACS is the Senior Mission trip. This is a school-sponsored trip to another country that allows students opportunities to grow spiritually, academically, and socially. Students participating in the senior mission trip will fulfill the 20 hours of community service hours required for 12<sup>th</sup> grade. In the rare event a senior cannot attend a senior mission trip, plans for senior service hours must be approved by the administration prior to the senior mission trip.
    - High school students' community service hours will be recorded in the school's FACTS SIS (formerly RenWeb) management system by members of the high school faculty.

## **Hope and Zell Miller Scholarship Requirements**

Only the grades earned in Hope/Miller approved courses will be counted toward the GPA for HOPE and Zell Miller scholarship eligibility. Information regarding the subjects that will be included and the number of Carnegie units the student must have earned are available through the Guidance Services Department, as these requirements change from year to year.

Current information and requirements may be obtained through Georgia Student Finance Commission at: either [www.GSFC.org](http://www.GSFC.org) or [www.gafutures.org](http://www.gafutures.org)

## **Student Records/Transcripts**

Report cards and transcripts will not be released until all fees are reconciled through the business office. Student records are open to and may be obtained by the parent or guardian, as long as there is not an outstanding balance.

If a student's records are sent to another school, PACS will mail the records within two weeks of receipt of the request from the new school or a written request from the parents/guardians, if all account balances have been settled.

## **Physical Education**

All students scheduled for physical education classes are expected to participate except in cases of illness or injury. Students who take physical education will "dress out" for PE classes. Excuses must be provided when a student does not dress out. Only a doctor's excuse is permitted for allowing a student not to dress out for prolonged periods.

Only approved PE uniforms are permitted. Students who wear apparel other than the approved uniform will be considered not "dressed out." Each time a student is not dressed out and it is unexcused, an academic penalty will be given.

## **Student Recognition and Awards**

### **Lower School Honor Roll (4<sup>th</sup> and 5<sup>th</sup> grades)**

Lower school honor roll is calculated for each academic quarter. Students who achieve grades of 95 and above in all core courses (Bible, English, Math, Reading, Science, Spelling\*, and Social Studies) for a given academic quarter will be named to the Head of School's List. Students who achieve grades of 90 and above in all core courses (listed above) for a given academic quarter will be named to the Honor Roll. (\*Spelling is a separate grade in 4<sup>th</sup> grade, but it is included in content area subjects in 5<sup>th</sup> grade.)

### **Middle School Honor Roll**

Middle school honor roll is calculated each quarter. Students who earn all As (no incompletes) in core courses (Math, English, Science, Social Studies, Foreign Language, Bible) will be placed on the ***“Head of School Honor Roll”*** for that quarter. Students obtaining an overall average of at least 90 (no failing grades or incompletes) in core courses (Math, English, Science, Social Studies, Foreign Language, Bible) will be placed on the ***“Principal’s Honor Roll”*** for that quarter.

### **High School Honor Roll**

High school honor roll is calculated each semester. Students who earn all As (no incompletes) in core courses (Math, English, Science, Social Studies, Foreign Language, Bible) will be placed on the ***“Head of School Honor Roll”*** for that semester. Students obtaining an overall average of at least 90 (no failing grades or incompletes) in core courses (Math, English, Science, Social Studies, Foreign Language, Bible) will be placed on the ***“Principal’s Honor Roll”*** for that semester.

### **Graduation Honors**

Honor Graduate: College Preparatory or College Prep with Distinction students, who have a final numerical average of 90 or above in core high school courses will be deemed honor graduates. For AP classes, 10 numerical points (1.0 additional quality points) are added to the passing semester grade and for Honors classes, 5 numerical points (0.5 additional quality points) are added to the passing semester grade for determination of awards and honors. No additional points are given to a failing grade. For Dual Enrollment classes, 10 numerical points (1.0 additional quality points) are added to the semester grade.

The **Valedictorian and Salutatorian** must complete the college preparatory with distinction requirements, must have been a student at PACS during their entire eleventh and twelfth grades, and must meet Honor Graduate requirements. The Valedictorian will be the student that has the highest numerical average in core classes as calculated by the school’s management system. The Salutatorian will be the student that has the second highest numerical average in core classes as calculated by the school’s management system.

The **Valedictorian and Salutatorian** from the graduating class will not be chosen on the basis of their academic record alone. Citizenship, attitude, cooperation, level of course work taken, and other similar factors will be considered by the administration in making these choices.

The purpose for graduation regalia is to recognize the scholastic achievements of seniors following four years of intensive study. The regalia listed below will be worn by students that meet the grade point average and conduct criteria published by the high school office working in conjunction with faculty sponsors (as appropriate):

- National Honor Society (NHS gold stole): NHS academic and conduct standards are defined in the school’s charter.
- National Beta Club (white cord): Beta Club academic and conduct standards are defined in the school’s charter.
- Honor Graduate (gold cord): Awarded to students who maintain a cumulative core average of 90 or above and graduate with a College Preparatory or College Preparatory with Distinction Diploma.
- College Preparatory with Distinction (gold, blue, and white cord): Awarded to students that meet all College Preparatory with Distinction Diploma requirements.
- Valedictorian/Salutatorian (medallion)

NOTE: No other regalia (cords, stoles, etcetera) nor modifications to a student’s graduation gown or mortarboard are authorized, and any student who violates this policy will be required to remove the unauthorized regalia during the ceremony. Any student who refuses to remove unauthorized regalia will not be presented with a graduation certificate during the ceremony. High school graduation is a seminal event

recognizing each student's academic achievements; wearing unauthorized regalia diminishes the accomplishments of the other students and will not be tolerated.

The Epistle award will be given to a senior who has displayed Christ-like character during his or her high school career. The recipient of this award will be determined by the faculty of PACS. Academics will not be a determining factor unless the student has a record of not passing.

Any student suspended for any reason from school during his or her junior or senior year will not be considered for graduation honors such as Valedictorian, Salutatorian, Epistle award, etc.

### ***Academic Honors and Awards Summary***

- Valedictorian/Salutatorian/Honor Graduate = Num. Avg. Core classes including Bible
- Beta, NHS, NJHS = Num. Avg. All Classes
- Honor Roll = Num. Avg. Core including Bible
- College GPA = Refigured their choice
- HOPE/ZELL = GPA Core only (no Bible)

## **High School Courses**

### **Advanced Placement Courses**

Prior to enrolling in an AP course, a student must:

- Be a high school sophomore, junior or senior
- Have a 3.0 overall GPA or higher
- Be on the "college prep" or "college prep with distinction" diploma track
- Earn an 88 or higher in the previous year's subject area course

Any exceptions to this guideline are at the discretion of the high school administration and require parental and student agreement. Students taking an AP course are required to take the end of course AP test. Parents will be billed for this test in the spring.

For AP classes, 10 numerical points (1.0 additional quality points) are added to the passing semester grade for determination of awards and honors. No additional points are given to a failing grade. This includes on-line courses approved by Prince Avenue.

Because of the increased rigor and college credit implications of AP and Dual enrollment courses, these courses may have policies on work completion, acceptance, and makeup of missed assignments that are different from the school policy for all other courses. Differences in these policies will be clearly stated in the syllabus for the course.

### **Dual Enrollment Courses**

Prior to enrolling in a dual enrollment course, a student must:

- Be a high school junior or senior and meet the partnering college's admission requirements
- Have a 3.0 overall GPA or higher
- Be on the "college prep" or "college prep with distinction" diploma track
- Earn an 88 or higher in the previous year's subject area course
- Fulfill all PACS prerequisite requirements or pre-course work assignments
- Meet all prerequisites required by the partnering college
- Ensure they do not exceed the maximum number of hours allowed by the Georgia Student Finance Committee.

The academic and curricular standards for these courses are governed by the authorizing college or university. In most cases these courses are offered through the State of Georgia's Dual Enrollment Program and thus are also regulated by state laws.

For Dual Enrollment classes, 10 numerical points (1.0 additional quality point) are added to the passing semester grades for determination of awards and honors. This includes on-line courses approved by Prince Avenue.

Because of the increased rigor and college credit implications of AP and Dual enrollment courses, these courses may have policies on work completion, acceptance, and makeup of missed assignments that are different from the school policy for all other courses. Differences in these policies will be clearly stated in the syllabus for the course.

### **Honors Courses**

In order for a student to take an Honors course they must have earned an 88 or higher in the previous year's subject area course. Any exceptions to this guideline are at the discretion of the high school administration and require parental and student agreement.

For honors classes, 5 numerical points (0.5 additional quality point) are added to the passing semester grade for determination of awards and honors. No additional points are given to a failing grade.

## **Report Cards and Interim Reports**

### **Lower School**

Report cards are sent home at the end of each quarter (four times yearly). Students receive an interim (mid-term) report in the middle of each grading period to inform parents of their child's progress. Kindergarten interim reports are sent home with the student on the designated day. 1<sup>st</sup>-12<sup>th</sup> grade interim reports are available through FACTS SIS (formerly RenWeb).

### **Middle School and High School**

Report cards are sent home at the end of each quarter (four times yearly). Students receive an interim (mid-term) report in the middle of each grading period to inform parents of their child's progress. Interim reports are available through FACTS SIS (formerly RenWeb).

## **Retention/Promotion Policies**

### **PreK**

It is the desire of the PACS PreK staff to feel confident in a child's readiness for kindergarten, academically, socially, and emotionally. There are numerous readiness factors involving the development of the whole child that will be considered in order to determine if a PreK child is ready for kindergarten. If the teacher feels concerned that the child may not be ready in any of the areas listed above, she will discuss the possibility of retention with the parents and Administration.

### **Kindergarten-2<sup>nd</sup> Grades**

It is the desire of the PACS lower school staff to feel confident in a child's readiness to promote to the next grade level, academically, socially, and emotionally. The school will determine the promotion or retention of a student based on the results of tests, as well as overall daily performance in the classroom.

### **3<sup>rd</sup>-5<sup>th</sup> Grades**

Promotion is based on the yearly average of each core subject. The failure of more than one core subject may result in retention.

### **Middle School (6<sup>th</sup>-8<sup>th</sup>)**

Retention is recommended when a student fails more than one academic subject (Bible, English, Science, Math, or Social Studies) and/or lacks developmental social skills. If a student fails one class, he/she will be required to make it up in summer school in order to be promoted to the next grade level. The administration will then determine whether the student should be retained.

The retention (reclassification) of students in Pre-K through eighth grade can sometimes be a wise decision that better positions them for success during their K-12 journey. The decision to retain a student considers several factors, but traditionally it involves three areas: academic readiness, social maturity/age, and in the case of middle school students, executive functioning skills (self-control, organization, time management, and working memory). Retaining a student in grade for athletic benefits (to be bigger, stronger, and faster) is NOT an authorized reason, and the Georgia High School Association's (GHSA) Constitution specifically states the retention of eighth-grade students for competitive purposes is unauthorized (GHSA Constitution 2.40).

Requests for retention of lower school students (PreK through fifth grade) will be jointly reviewed by the lower school principal, academic dean, and head of school. Requests for retention of middle school students (sixth through eighth grades) will be jointly reviewed by the middle school principal, academic dean, athletic director, and head of school. Any request to retain (reclassify) a student in grade must be initiated in writing by the student's parent, and the decision to retain a student rests solely with the head of school.

### **High School (9<sup>th</sup>-12<sup>th</sup>)**

Students in grades 9-12 who receive a final semester grade of 69 or lower in any required course must make it up during the summer or retake the course. Any summer school classes must be approved by the administration.

## **Subject/Course Changes**

High School parents/students may petition the administration via [scheduling@princeave.org](mailto:scheduling@princeave.org) to drop/add a course, which must be done within the first two weeks of each semester. Students have two weeks to drop a College Prep course and three weeks to drop an AP or dual enrollment course. Online and dual enrollment deadlines to withdraw without academic penalty may be subject to the online provider or university deadline if it precedes the school deadline. Please note: Providers who offer online classes generally have a tiered refund policy based on the course drop date. PACS must adhere to the provider's refund policies; therefore, refund options may be limited for online courses.

## **Achievement Tests**

**Testing Program** - Achievement Tests are administered to 1<sup>st</sup> - 8<sup>th</sup> grades each year.

### **Duke TIP Testing**

Each year, a select number of lower and middle school students earn the opportunity to participate in the Duke University Talent Identification Program based on their superior achievement test scores. The Duke University Talent Identification Program (Duke TIP) is a non-profit organization dedicated to serving academically gifted and talented youth. Duke TIP works with students, their families, and educators to identify, recognize, challenge, engage, and help students reach their highest potential. Students who score in the 95th percentile or higher on specific standardized subtests are recognized for their acceptance into the program and are given the opportunity to participate further by taking an upcoming SAT or ACT. If students score high enough on one or both of these, they may receive state recognition from the Duke TIP Program and offered the opportunity to participate in the Academy of Summer Studies.

## College Admissions Testing

As a student begins to prepare for college, Prince Avenue Christian School's guidance office will provide assistance in planning for college selection, entrance, scholarships, and financial aid. Students are also required to take several tests that help prepare them for college acceptance. PACS provides opportunities for these tests to be taken.

- In 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> grades, all students will take the PSAT (first test in the SAT series).
- In 10<sup>th</sup> grade, all students will take a practice ACT test.

In 10<sup>th</sup>-12<sup>th</sup> grade, all students are encouraged to take the SAT and/or ACT as many times as deemed appropriate to achieve college admission.

All seniors must have taken either the SAT or ACT prior to graduation (exceptions to this guideline must be approved by the High School Administration).

## Textbook and Instructional Materials

Our textbooks and curriculum materials include some standard texts used in public and private schools, along with textbooks from Christian publishers dealing with the same subject matter but from a Christian perspective. Our preference would be to use all Christian texts, but in some subjects an academically superior text is available from a secular publisher. When we choose a secular textbook, it is with the understanding that it is the teacher who makes the curriculum "Christian."

We can guide our students in the development of critical thinking skills and discernment in evaluating printed material. Exposure to false worldviews will prepare our students for future educational experiences, especially if they choose to attend a state university.

The safekeeping of books is the responsibility of the student to whom they are assigned. Lost or damaged books will be charged to the student responsible for the books since all books are the property of PACS. **All non-consumable books are to be covered to help prolong the use of the book.** All textbooks are to be handled with care and are not to be marked on or defaced in any way. Students may be required to purchase supplementary books for some classes (i.e. novels for English, etc.).

## Transfer Students

Transfer credits with letter grades will be transposed to numeric grades to match our grading scale according to the chart below. All transcripts for transfer students will be evaluated according to courses taken and content of courses.

### Credit Transfer Chart (A, B, C, F)

High school transcripts must be requested by filling out a Transcript Request Form and forwarding it to the guidance office at least one week in advance. Final transcripts will not be released if there is an outstanding balance on the student's account. Once you have chosen a post-secondary school, a final transcript must be requested.

### Student Sign-in and Sign-Out

Lower school students will not be permitted to check out after 2:30 pm and middle and high school students will not be permitted to check out after 2:55 pm. Appointments should be scheduled whenever possible to avoid late check out.

- Lower school students will be checked in and out through the main school office. Parents may contact the front office or lower school office in advance if they would like their student to be waiting in the office when they arrive.
- Middle school students will be checked in and out through the middle school office located in the middle school building. Parents may contact the middle school office in advance if they would like their student to be waiting in the office when they arrive.
- High school students will check in through the high school office and may check out through the main office or the high school office. Parents may check their high school student out in advance by contacting the high school office directly and then pick the student up at the main office if the student is not a driver.
- If you have students in more than one building that need to be checked out, all of the students may be checked out through the school's main office. The receptionist will then notify the other offices that your students are checking out. The parent will then drive to the appropriate building to pick up each student.

## School Closings

In case of an emergency due to natural causes such as snow, ice, or other conditions that would make driving hazardous, the school will be closed. *You will be contacted through PACS's Parent Alert System via text or phone call regarding early dismissal or closing.*

You may also locate our school closings the following ways: the website at [www.princeave.org](http://www.princeave.org), JOY 88.9 radio station and WSB TV Channel 2. Occasionally it is necessary to send children home early to avoid serious weather conditions. In such cases, parents should be prepared to pick up children at school in a timely manner.

## Office Hours

The school office opens each morning at 7:45 am and closes at 4:00 pm on Monday through Thursday. The office closes at 3:30 pm on Fridays. Summer office hours will be announced prior to the end of the school year and posted on our website.

## ATTENDANCE REQUIREMENTS

### Attendance

In order to obtain the maximum benefit from our academic program, students should be in class every day. The following rules are designed to help the student maintain good attendance, help parents fulfill their responsibility, and allow the student to receive all the educational benefits to which they are entitled.

#### Lower School (PreK through 5<sup>th</sup>)

- Students who are in attendance until 11:30 am on a “full” day of school are counted present for the entire school day. Students who are late but arrive by 11:30 am are counted present for the entire day.
- If a student misses more than 20 days per year (excused or unexcused), it could affect the student's promotion. Parents may be required to supply additional information regarding these absences.

#### Middle School (6<sup>th</sup> through 8<sup>th</sup>) and High School (9<sup>th</sup> through 12<sup>th</sup>)

Students in grades 6-12 are allotted five unexcused absences per semester in each class without penalty. In extreme cases, students may jeopardize their potential to gain credit for a particular class. When a student accumulates six or more unexcused absences in a particular class during one semester, the following sanctions will likely occur:

- 1 point reduction of the semester grade will be given for the sixth unexcused absence, and each subsequent unexcused absence, as determined by the appropriate grade level principal.
- High school students are not permitted to exempt the semester exams regardless of the student's semester average.

Special circumstances involving death of an immediate family member, surgery, hospitalization, or physician-documented illness will be handled on a case-by-case basis. Any doctor's notes (physician, dentist, orthodontist, physical therapist, etc.) will be accepted as an excused absence and not count against a student's total absences for the semester. **Doctor's notes need to be turned in to the appropriate office within five school days from the day the student returns to school.** Illness not verified by a physician will not be considered an excused absence. We strongly encourage appointments be made outside of normal class time.

### Co-curricular Absences

If a student misses school due to participation in a school-sponsored activity, he/she will not be counted absent.

## **Senior Off-Campus Lunch Attendance Policy (*Second Semester Privilege*)**

### **a) Regular Bell Schedule Days**

1. Students with a period 1, 3, 5, or 7 study hall, internship, mentorship, or AP help, may check out at 12:35 pm. and must check-in by 2:15 pm to attend their last class of the day.
2. Students with a period 2, 4, 6, or 8 study hall, internship, mentorship, or AP help, can check out when lunch begins at 1:39 pm and may leave campus for the remainder of the day or return for co-curricular activities at the end of the school day. If students return to campus before the end of the school day they must sign-in at the HS office and return to class.

### **b) Chapel/Activity Bell Schedule Days**

1. Students with a period 2, 4, 6, or 8 study hall, internship, mentorship, or AP help, may check out at 12:04 pm and must check back in by 1:33 pm to attend their last two classes of the day.
2. Students with a period 1, 3, 5, or 7 study hall, internship, mentorship, or AP help, may check out at 12:54 pm and must check back in by 2:27 pm for their last class of the day.

### **c) Accumulated absences**

The school attendance policy still applies to seniors who participate in off-campus lunch.

## **Senior End of the Year Attendance**

A graduating senior may not be absent during the last two weeks of school except when excused by a medical doctor. When pursuing college entrance and/or scholarship requirements, the student may make arrangements with the high school principal to be absent from school.

## **Truancy**

Deliberate absence without the parent's knowledge and permission will result in a grade deduction of up to two points per absence from the student's semester grade average and/or a detention/suspension. A student who is continually truant will be referred to the authorities who handle truancy problems which may include revocation of his/her driver's license.

## **Tardiness**

### **Tardy to School – Lower School**

Any student who is not in his/her class at the time of the bell is tardy and will not normally be admitted until he/she has reported to the office. In order for a tardy to be excused, a phone call, note or e-mail must be received by the teacher or office within five days. Chronic or habitual lateness may result in academic or disciplinary action.

### **Tardy to Class - Middle and High School**

Students are allotted four unexcused tardies per quarter without penalty. On the fifth and each subsequent unexcused tardy in a quarter, the student will generally receive a detention.

## **Recorded Absences**

Quarterly attendance is calculated and populated onto the report card through FACTS. Challenges to the school's attendance record should be submitted no later than one week after quarterly report cards are made available, after which no changes to the school record will be made. Parents who request changes to the school's attendance record will be expected to show verifiable documentation supporting their request.

**Doctor's notes need to be turned in to the appropriate office within five school days from the day the student returns to school.**

## **Daily Attendance Requirements for Participation in Co-Curricular Activities**

In order for a student to participate in co-curricular activities, he/she must be in school by 9:30 am. Exceptions may be granted by the administration for doctor's appointments, pre-arranged absences, or justifiable emergencies. **If a student is late and arrives after 9:30 am, he/she will generally be ineligible to participate in any co-curricular activities** that day. If a student is too ill to be in school by 9:30 am, then a student is too ill to participate in any co-curricular activity that day, unless a doctor authorizes in writing that the student is able to participate.

A student must be in attendance at school on the day after any co-curricular activity by 9:30 am, unless an excused notice, signed by a parent, is given to the office. The excuse "I was too tired" is NOT valid. If a student is tardy or absent for the above reason, he/she will be ineligible for the next similar activity.

## **College Visits**

Juniors are allowed two days and seniors are allowed four days for college visits. Pre-arranged Absence form must be completed prior to each visit.

## **Pre-Arranged Absence Form**

An absence for any reason other than those listed above must be approved in advance. These may include attendance at a Christian retreat, educational travel, court proceedings, and immediate demands of the home. The purpose of the Pre-Arranged Absence form is to ensure that teachers and administration are aware when a student will be absent for non-emergency purposes. Students should check FACTS SIS (formerly RenWeb) for assignments. Students are encouraged to do any work they can prior to leaving; however, all guidelines involving make-up work are in effect.

## **Early Dismissal and Sign Out**

Students must have parental consent to leave campus during traditional school hours. Students who depart campus and are not returning for the remainder of the school day must sign out in the appropriate school office. Students who depart AND return to campus during the traditional school day **MUST** present a doctor's note when they sign back in. Parent and administration approval must be given to a student at sign-out who plans to return to school without a note from a doctor. Signing out earlier than 20 minutes before the class ends may be counted as an absence for that class.

Lower school students will not be permitted to check out after 2:30 pm and middle and high school students will not be permitted to check out after 2:55 pm. Appointments should be scheduled whenever possible to avoid late check out.

- Lower school students will be checked in and out through the main school office. Parents may contact the front office or lower school office in advance if they would like their student to be waiting in the office when they arrive.
- Middle school students will be checked in and out through the middle school office located in the middle school building. Parents may contact the middle school office in advance if they would like their student to be waiting in the office when they arrive.
- High school students will check in through the high school office and may check out through the main office or the high school office. Parents may check their high school student out in advance by contacting the high school office directly and then pick the student up at the main office if the student is not a driver.
- If you have students in more than one building that need to be checked out, all of the students may be checked out through the school's main office. The receptionist will then notify the other offices that your students are checking out. The parent will then drive to the appropriate building to pick up each student.

## Working Students

Students holding a part-time job (anything requiring a work permit) are not allowed to miss/skip school field trips, programs, or other required events for work purposes.

## Work Missed

Parents of absent lower school students should call the school office prior to 10:30 am to request work assignments in order to allow teachers time to make appropriate arrangements. Assignments may be e-mailed to them or picked up after 3:20 pm in the school office.

Parents of absent middle or high school students, or the students themselves, should check ParentsWeb for assignments. If further assistance is needed, please email the teachers directly. It is the student's responsibility to obtain class notes and make-up work.

Work missed due to an absence is expected to be completed. The time allowed to complete the work for absences is equal to the number of days absent. The calendar begins on the first day the student returns to school. An incomplete homework assignment may be recorded as a zero (PreK through 12). Homework that was assigned prior to the absence is due the next time the class convenes.

Because of the increased rigor and college credit implications of AP and Dual enrollment courses, these courses may have policies on work completion, acceptance, and makeup of missed assignments that are different from the school policy for all other courses. Differences in these policies will be clearly stated in the syllabus for the course.

## CONDUCT AND DISCIPLINE

### Family-School Covenant

According to the Bible, parents are responsible for the training of their children. PACS serves as partners with parents in providing an excellent education consistent with Biblical truth. Harmony between home and school provides the best environment for godly training to take place (Deuteronomy 6:1-7; Proverbs 22:6; Ephesians 6:1-4).

The student at Prince Avenue Christian School is an ambassador for Christ as well as for the school. Therefore, The Family-School Covenant and Honor Code apply to and must be followed by the student during school as well as away from school. We seek to nurture development of the following essential character traits in the lives of our students.

- **Eternal Values:** We are to live with the perspective of eternity, focusing not on temporary, material, self-serving gain, but on the glory of God. We are to pursue the treasure that is of eternal value. Matthew 6:19-21, 33; James 4:14
- **Godly Living:** By the grace of God we are to be committed to growing in the character and values of Jesus Christ, so that the outworking of our faith will be seen in conduct that is consistent with the principles of God's Word and reflective of His holiness. We seek, by the power of the Holy Spirit, to walk in obedience and flee the desires of the sinful flesh. Galatians 5:16-26; 1 Peter 1:13-16, 2:9-10; 1 Corinthians 6:12-20; Romans 8:6-8
- **Integrity:** We are to have a testimony that is above reproach. We are to be honest, forthright, morally sound, and trustworthy in all of our relationships. Our word should be our bond. Titus 1:7-9; Job 27:5; Proverbs 11:3, 20:11; Psalm 15
- **Obedience:** We are to live with an attitude of submission that is manifested in cheerful obedience. The Lord God, who is Sovereign over all, is the absolute and final Authority of our lives. As our Creator and Savior, He deserves our whole-hearted obedience. Our obedient submission manifests our love for Him and trust in Him. Likewise, as He places human authority over us, we are to cheerfully obey that authority as unto the Lord. John 14:21; Ephesians 6:1-4; Proverbs 6:23

- **Respect:** We are to honor others and value the contributions they bring to our lives. Especially within the family of God, where we are instruments to edify and build others up in our walk with Christ, we are to treat others as we would want to be treated. 1 Peter 2:13-21; 1 Thessalonians 5:12, 13
- **Responsibility:** We are to faithfully carry out what God has for each of us to do. Because we are accountable to love one another, encourage one another, bear one another's burdens, and share with one another, we are called to a sense of responsibility that will enable us to faithfully fulfill the work of the Kingdom. Initiative, discipline, diligence, and a desire for excellence should mark all that we do as we serve God and relate to one another. Matthew 18:15-17; Galatians 6:1-5; Ephesians 5:29-32
- **Self-Discipline:** We are to live, as a result of the Spirit's fruitfulness in our lives, with self-control, enabling us to delay immediate gratification that comes at the expense of obedience. With self-discipline we can learn to control those thoughts and attitudes that dishonor God and lead to ungodly behavior. Galatians 5:22-26; Proverbs 16:32; 1 Timothy 4:7, 8
- **Servant spirit:** We are to live with humility and selflessness that focuses on putting others first and ministering to their needs in the name of Christ. The ultimate example of a servant spirit is found in Jesus Christ, who set aside the glory of Heaven, became a man, and died on the cross for our sin. We are to imitate that selfless, giving spirit as we live for Him. Philippians 2:1-11; Ephesians 5:21; James 4:6, 10
- **Gratitude:** We are to live with a genuine spirit of thanksgiving, recognizing the Lord as the source of every good thing in our lives. Gratitude comes from recognizing that God uses all things in our lives to further His good purpose of growing us after the image of Christ. That spirit of thanksgiving also extends to those people whom God uses to bring blessing into our lives. 1 Thessalonians 5:18; Philippians 4:6-7; Colossians 2:7
- **Wisdom:** We are to live, not just with knowledge, but with wisdom as well. Wisdom means seeing life from God's perspective and using knowledge in the way that most honors God and accomplishes His purposes. We develop wisdom by spending time in God's Word and prayer and by living with a teachable spirit. Proverbs 1:7, 20-23; 2:1-22

## The Honor Code

The Honor Code encompasses six main areas: lying, cheating, stealing, defaming others, intentionally damaging the property of another, and remaining silent when a student has knowledge of these actions. In the PACS community, lying, cheating, stealing, defaming others and intentionally damaging the property of others and remaining silent when a student has knowledge of these actions cannot be tolerated.

- **Lying:** A student lying or purposely misrepresenting the truth violates the Honor Code.
- **Cheating:** A student giving or receiving unauthorized help on a test or graded assignment, or a student submitting the work of another as his/her own, violates the Honor Code.
- **Stealing:** To take (the property of another) without right or permission. To present or use (someone else's words or ideas) as one's own.
- **Defaming others:** A student writing or speaking with malicious intent to injure unjustly a person's reputation violates the Honor Code. Malicious intent is the deliberate attempt and plan to do harm.
- **Intentionally damaging the property of another:** A student deliberately and intentionally causing damage to property of the school, the property of the faculty and staff and administration, or the property of his/her fellow students violates the Honor Code.
- **Remaining silent when a student has knowledge of these actions:** When a student has personal knowledge of the Honor Code being violated, he/she is obligated to inform the proper authority (teacher, coach, administration, etc.).

***“A PACS student will not lie, cheat, steal, defame others or destroy their personal property, nor tolerate those who do.”***

## Commitments

For a student to be admitted and retained at Prince Avenue Christian School, the following family-school commitments must be made and adhered to:

Prince Avenue Christian School reserves the right to suspend and, when circumstances warrant, to dismiss students whose behavior is disrespectful, disruptive, immoral, and/or illegal. PACS also reserves the right to suspend or dismiss a student whose conduct is detrimental to the school community.

The disciplinary process of the school is designed to support the members of the school community and the school's mission and reputation. It is the intention of the school to use minor problems and misconduct as teaching opportunities. PACS will dismiss the student from the school if actions or behaviors (on or off campus, during the school day or not, under school supervision or not) determine that a student's continuation is not in best interest of the student and/or the school.

- ***The Parent Commitment:*** We are in support of the educational philosophy, objectives, Family-School Handbook, standards of conduct, doctrinal statement, Christian life commitment and the principles of this covenant. We will cooperate with the teachers in a spirit of partnership in the training of our child.

I agree that my partnership with PACS to educate and disciple my child requires unity between my home and the school, and I will refrain from posting on-line and/or social media content that would reflect negatively on this partnership.

If at any time during the training of our child, we can no longer work together in a spirit of unity, and all reasonable avenues of communication are exhausted, we will withdraw our child from Prince Avenue Christian School. We understand that failure by our child to uphold these principles and guidelines of the Family-School Handbook may result in dismissal from PACS.

As a Christian school, we are committed to serving as a partner with Christian parents to develop "students who are followers of Jesus Christ who are pursuing their purpose for the glory of God, applying knowledge with Godly wisdom, communicating God's love to others and sharing their God-given resources in biblical ways" (Prince Avenue Ends Statement).

We consider it essential that our students and families believe The Word of God is the final authority on all matters of faith and conduct. Therefore, items expressly forbidden in the Scripture are never acceptable. Included among these are such as, but not limited to drunkenness, stealing, lying, the use of slanderous or profane language, pornography, addictive behaviors of any kind, extramarital sex, and homosexual behavior.

Also condemned by Scripture are such attitudes as greed, jealousy, pride, lust, bitterness, hostility, an unforgiving spirit, and prejudice based on race, birth gender, and socioeconomic status. Therefore, Prince Avenue Christian School strives to see these attitudes eliminated as evidenced in speech and action and replaced by Christ-like attitudes appropriate for maturing Christians.

We also believe that our parents and students should be involved in a local community of believers in order to best develop a strong relationship with God, and to learn to minister to one another as Christ commands. Regular attendance infers normal involvement in the community of believers, and may include attendance at worship services, Sunday school or community or youth/children's groups.

- ***The Student Commitment:*** I desire to attend Prince Avenue Christian School and am willing to be under the authority of my parents in submitting and deferring to their wishes concerning enrollment at PACS.

I understand that Christian teachers are in partnership with my parents. I will strive to obey them also as they seek to train according to God's Word.

With the help of the Holy Spirit, I will seek to live a godly life in and out of school in order that Jesus Christ will be glorified.

I understand that failure to uphold these principles and guidelines of the Family-School Handbook may result in my dismissal from PACS.

- ***The Honor Code Commitment:*** Because I believe that honor toward God and man is essential, I promise not to lie, cheat, steal, defame others, intentionally damage the property of another, or remain silent when I have knowledge of these actions.
- ***The Commitment from the School:*** The faculty and staff of PACS pledge by God's grace to uphold the principles of this covenant and guidelines as we assist the parent in training your child.

## **Statement of Cooperation**

I agree to cooperate with Prince Avenue Christian School (PACS) in every way possible, including academic, behavioral, dress and disciplinary policies. I further agree that if I have any concerns with the school policies or programs, I will bring it first to the teacher and/or the school administration prior to discussing it with others. As a family, we are committed to following the Matthew 18 principle of reconciliation; that if concerns or disagreements arise over issues or incidents related to the welfare of our children, we will go to the individual involved and seek a mutually satisfactory remedy in the bonds of Christian love.

I recognize that PACS works as an extension of me, the parent or guardian, and I pledge my prayerful support to the school administration and faculty. I realize that the discipline of my child is initially my responsibility and I agree that discipline is necessary for the welfare of each student, as well as the entire school. I also understand the school has full authority to discipline any student who refuses to cooperate with the educational process or adhere to the standards of conduct, therefore, give permission for my child's teacher, and/or other members of the school staff and administration to enforce all classroom regulations and school policies in a manner consistent with Christian principles of discipline. Discipline may include, but not be limited to, detention, suspension, or expulsion from the school program. I also understand that it may be necessary to withdraw my child if I cannot cooperate with the school policies as defined in the Parent/Student Handbook.

I agree to assume the responsibility of my child's education through supervision of homework, encouraging my child and by keeping in regular contact with his/her teacher. I realize that parent meetings are important for the educational welfare of my child, and therefore, I will make every effort to be in attendance.

I understand that for enrollment to be complete, the full registration and enrollment fees must be received and that these fees are non-refundable. I also understand that the operating expenses of PACS are fixed, and a loss is realized if any vacancy occurs during the school year. In support of the school's obligation to its staff, I agree to keep my son/daughter enrolled for the school year if at all possible. I understand prorated tuition is the exception and not the norm, and any requests for prorated tuition must be submitted to the Head of School in writing. I am responsible to pay any tuition and fees due, and records cannot be forwarded to another school until all financial obligations have been satisfied. I understand that the school, at its discretion, may withhold transcripts of grades, final exams, diplomas, etc. due to non-payment of bills. I also understand that if my child's tuition is 45 days late, my child will not be allowed to stay in class until my overdue balance obligation has been met.

I hereby agree to release Prince Avenue Christian School and its agents from any and all liability to my child, or any agent thereof, due to any injury or alleged injury to my child while on school premises, en-route to and from school, or while involved in any school activity. In case of an accident or serious illness, I give my consent for the school nurse, athletic trainer, or athletic team doctor to treat my student and to call a physician in the event I cannot be contacted. If they are unable to contact a physician, they may make whatever arrangements are necessary. The school will not be held liable for any medical treatment or care provided to my child by a licensed physician, hospital or emergency rescue squad. Should legal action, for any reason, be taken against PACS or any employee or agent thereof on my child's behalf, and the school or its agents are found to be free of fault, I agree to pay any attorney fees, court costs, damages or other costs that Prince Avenue Christian School or its agent incurred while defending itself against such action.

## **Corrective Discipline**

Order is necessary in any school to maintain control and to effectively teach. To teach self-discipline and respect for authority, certain standards of conduct are maintained at PACS.

Students are expected to comply with the standards and regulations of the school with a positive attitude. They are encouraged to use "Yes Sir" or "Yes Ma'am" when conversing with a teacher or other adult. Correction by a teacher should be accepted without argument. If there is a question concerning the violation of a rule, the student should discuss it with the teacher privately. Courtesy and respect for fellow students is also expected. A student who does not respond to corrective discipline appropriately and who displays an attitude which is consistently out of harmony with the spirit of the school will be considered for dismissal.

## **Behavior and Conduct**

One of the chief components of discipline at Prince Avenue Christian School is the understanding that the school is not the primary discipline provider of any student. The parents are the primary discipline providers for their own children. However, by attending Prince Avenue Christian School and agreeing to uphold the philosophy, mission, and policies of the school, each student has placed himself/herself under the school's authority, rules, and policies. Because Prince Avenue Christian School is a direct ministry of Prince Avenue Baptist Church, the school is committed to upholding the testimony and standards of the church. When students enroll at Prince Avenue, they agree to abide by the standards of the school on and off campus.

There is no exhaustive list of offenses where church discipline applies, though various examples are given:

- Romans 16:17-18 mentions false teaching and divisive behavior.
- I Corinthians 5:11 lists sexual immorality, greed, idolatry, slander, drunkenness, and financial dishonesty.
- I Corinthians 6:1-10 adds adultery, prostitution, homosexual behavior, and theft.
- II Thessalonians 3:6 warns about idleness and disobedience.
- II Timothy 1:20 identifies blasphemy. II Timothy 2:17-18 reveals the blasphemers to be false teachers who were upsetting the church.
- Titus 3:9-10 deplores quarreling and divisiveness.
- Revelation 2:1, 14, 20 uncovers false teaching, false apostles, and false prophets.

Discipline is necessary for making disciples and living together as a community of disciples. Since any area of sin is a hindrance to discipleship, and any sin might damage relationships with others, any area of sin can come within the scope of discipline. In disciplining a student, we will try to evaluate the following: first, the effect the violation is having on a person's discipleship; second, the way in which he/she is dealing with it; and third, the effect it is having on the fellowship of those involved.

Therefore, with this understood PACS desires to use the following framework in dealing with students who break the behavior guidelines the school has adopted. PACS will:

- **Confront the student and the sin, understanding the issues.**

- **Punishment** - This can take many different forms, but care is taken in handling the student as an individual.
- **Restore the student** - This process can also take many different forms, because we are looking out for the best interests of the student and the school.

Students who make unwise and/or foolish choices, but are willing to repent, accept the consequences of their actions, and learn so as not to repeat the offense, will be given every opportunity to be restored to good standing in the school. However, those who scoff at the policies and regard them, or their enforcement, with disdain or contempt, showing no desire for repentance or restoration, will not be permitted to continue at Prince Avenue Christian School.

With all this understood, we have put together a framework that we will use in determining the infraction and its consequences. This list is not all-inclusive but will give clear ideas of the expectations of the school.

## **Discipline Categories and Consequences**

Misconduct has been classified and divided into three categories, depending on the severity of the violation. The category and the consequences are at the discretion of the teachers and/or the administration. Principals in consultation with the Head of School have the ability to modify consequences at their discretion.

## **Definition and Expectations Concerning Conduct and Discipline**

### **PreK Discipline Policies**

PACS preschool classrooms are positive and safe learning environments in which each child is able to reach the potential God has given him/her. The children are expected to obey right away . . . completely from the heart.

Each teacher has a set of rules and consequences for her respective classroom that will be enforced as deemed necessary by the teacher.

PACS teachers encourage children to verbalize their disagreements and use positive redirection as an alternative to unacceptable behavior. Acceptable forms of discipline used in the PreK classes at PACS are time-out and restricted active play (small increments of time). Corporal punishment is not used at PACS.

With an exciting curriculum and a stimulating and organized school environment, discipline problems are usually kept to a minimum. Our PreK strongly supports building the child's self-confidence and encourages the development of respect for self and others. All our behavior management actions are directed toward these goals and, consistent with our developmental approach; our teachers use a variety of methods to help the children learn appropriate behaviors. With the support and guidance of the teacher, each child is encouraged to try to work out his problems. Acceptable behavior is reinforced with verbal praise and other incentives and rewards from the teacher.

When PreK students encounter situations where they feel they have no power, they will often engage in inappropriate behaviors. Our staff is trained to recognize potential situations where they might occur and assist the children in problem solving.

Since we know that our parents want to be advised of any unusual occurrences in their child's day, we will contact them if their child has been involved in a situation involving biting, hitting, pushing, pinching, or use of inappropriate language or behavior. The parents and teachers can work together to determine how to help the child behave in a more acceptable way. Because discipline is so important and so personal, we welcome open discussions regarding any disciplines used with your child.

If a child consistently exhibits behavior that is not appropriate and not responsive to typical management techniques, the teacher will notify Administration. The Administration will observe the child and work with the staff to develop and/or refine methods used with the child.

Should a child's behavior be disruptive to the extent that a classroom cannot operate effectively with the child present, or if the learning environment is significantly affected with the child present, the child's enrollment in the program may be suspended or discontinued.

PreK teachers at PACS each use a variation of a "Smiley Face" discipline chart to keep track of student behavior each day. All students will begin the day with their names on the "Smiley Face." As inappropriate and/or disobedient behaviors occur, students will move their names according to the teacher's system and then consequences will be enforced as the teacher deems necessary and appropriate.

### **Lower School Discipline Policies (Kindergarten-5<sup>th</sup>)**

Our philosophy and approach to individual and classroom management is to train and grow students to understand and embrace the truth that the best discipline is self-discipline. The collective efforts of teachers and administration are aimed at helping students see the value in managing themselves in a way that shows respect for peers, adults, people's belongings, and property within the bounds of God's word and classroom and school-wide rules. This goal translates to everyday life when, for example, a student becomes guilty of committing a minor infraction of the stated expectations.

These minor infractions will be dealt with by the teacher in each respective classroom. The teacher's class discipline record is noted, and typically the parent is notified. Repeated occurrences of the same minor infractions may result in the teacher consulting with the parent for reinforcement in correcting the inappropriate behavior.

When counterproductive or inappropriate behaviors persist, the principal is consulted, resulting in administrative involvement in the matter. At this level, the principal becomes the primary contact between the school and home, as well as the chief disciplinarian for the student, still with the end goal being that the student develops the desire and understanding to avoid inappropriate behavior and exercise self-control over behavioral tendencies that negatively impact the learning and social environments of the school. The following behaviors are considered serious and thus warranting of more direct disciplinary measures at the first display:

- Teasing maliciously
- The use of unwholesome language
- Showing disrespect for anyone in authority
- Fighting, stealing, cheating, or lying
- Blatant disregard for the school's dress code

Students engaging in any of the above will be immediately referred to the principal, who will contact the parent to inform him or her of the details of the incident. Typically, the parents and administration will confer as to appropriate consequences for the behavior, both at home and at school. On the rare occasion that a student's behavior shows no sign of improving to the point of no longer posing a problem for the environment of the school, the school reserves the right, at the discretion of the Head of School, to dismiss a student from enrollment.

## Middle and High School Discipline Policies (6<sup>th</sup>-12<sup>th</sup>)

- **Warnings:** Students involved in misbehavior will often be given the opportunity to correct their behavior by the teacher. In some cases, students may be seen by a member of the administration to remind them of the school guidelines and to let them know what actions will occur if such behavior continues.
- **Parent Notification:** A parental notice is a verbal or written notification to parents sent by the teacher/administrator to the parent(s) to inform them of a misbehavior situation. This affords the opportunity for the family and school to work together to correct a potential behavioral problem before it develops into something more serious.
- **Detention:** A detention consists of detaining a student before school, after school, or during lunch for a time period not to exceed 60 minutes. Failure to serve detention on the date assigned may result in additional disciplinary action. Specific times for detention will be assigned by the school principal.
- **Suspension:** Attendance at Prince Avenue Christian School is a privilege with certain responsibilities. One responsibility is to maintain a consistent standard of behavior both at school and away from school, which will reflect the student's commitment to Christ and respect for Christian education. Therefore, any use of, or involvement with, tobacco, drugs, alcohol, unwholesome language, entertainment, behavior, gambling, cheating, fighting, stealing, lying, disrespect, immorality, possession of a weapon, or an accumulation of detentions, may result in the student's immediate suspension or expulsion from Prince Avenue Christian School. Other types of behavior, including (but not limited to) defacing school or personal property or leaving school without permission, may also be grounds for suspension or expulsion.

Suspended students will generally serve out-of-school suspensions. Receiving a suspension is a serious occurrence and could jeopardize a student's future enrollment at Prince Avenue Christian School. A suspension can also impact a student's membership in student government and honor societies. The bylaws or charter for student government and each honor society contain the impact corrective discipline has upon a student's membership in these organizations.

If a student is suspended, the following consequences will occur:

The student will be required to either stay at home or serve the suspension at school. This determination will be made by the administration and parents. If the student serves an on-campus suspension, a fee of \$100 will usually be charged to pay for appropriate supervision of the student.

The student shall not participate in any co-curricular event on the days suspended and may not attend a school activity without administrative permission. The final decision on suspension from co-curricular activities will be determined by the school administration.

- The student may be required to do in-school or out-of-school research and/or work related to the violation.
- All academic work must be made up within the normal framework of time, as outlined in the policies for make-up work.
- Students missing a major or minor assessment on the day of suspension will make the assessment up on a date determined by the teacher and the student's principal.
- The student may be permitted or requested to go before the student body or a group of peers to ask forgiveness for the wrong committed. Upon suspension or expulsion of a student, the administration may give the rest of the student body an appropriate statement regarding the basic nature of the offense and purpose of discipline. This action will be designed to:
  - Protect the reputation of the student(s) involved from the conclusions others might draw if gossip were the only channel of information.
  - Solicit prayer for those involved.
- **Expulsion:** A student may also be expelled or asked to withdraw for Category III violations or repeated Categories I and II violations. In cases involving pregnancy, students (girls *and* boys) who conceive a child while enrolled will customarily be dismissed from PACS; however, the administration will

evaluate each situation for extenuating circumstances on a case by case basis. Recommendations for expulsion will require the approval of the Head of School.

- **Committee:** In situations involving serious behavioral issues, the administration will seek counsel from a Discipline Committee consisting of PACS teachers and/or staff. This committee will generally be convened in situations where level two or three offenses have occurred.
- **Bullying:** Bullying is an ongoing and deliberate misuse of power in relationships or social interactions through repeated verbal, physical, and/or social behavior that intends to cause psychological, physical, and/or social harm.

Bullying can happen in person or online, via various digital platforms and devices, and it can be obvious (overt) or hidden (covert). Bullying behavior is repeated, or has the potential to be repeated, over time.

Bullying of any form or for any reason can have immediate, moderate, and long-term effects on those involved, including bystanders.

Isolated incidents and conflicts between equals, whether in person or online, are not defined as bullying. Although the actions listed below can cause great distress, they do not fit the definition of bullying.

Bullying is not:

1. Isolated incidents of social rejection or dislike
2. Single acts of nastiness or spite
3. Random acts of aggression or intimidation
4. Mutual arguments, disagreements, or physical altercations

## Prohibited Items

Items that are not permitted on campus, such as skateboards, laser pens, etc., will be collected by the teacher and may not necessarily be returned. Skateboards, scooters, hoverboards, roller blades, go-carts and mini-bikes should not be used on school property at any time due to the high risk of injury and liability for the school. Lower school students should not bring toys to school except on designated days.

## Guidelines for Permitted Electronic Items

### Cell Phones:

Lower school: Lower school students are discouraged from bringing cell phones to school. However, if a student does bring a phone to school, it must remain in the student's bookbag throughout the day. Lower school students will be able to utilize cell phones after the last bell of the school day. Students are not authorized to use cell phones while in after school care.

High school and middle school: in general, cell phone use during the school day is discouraged. Students will follow the cell phone policy documented in their course syllabi, which is designed to protect instructional time. Students discovered using a cell phone in class without permission will have their phone taken and held in their principal's office. Repeat offenses will have graduated sanctions and can result in the suspension of on campus cell phone privileges.

**Smart Watches:** These are permitted at school, but should not be used to make calls, send messages, surf the internet, take photos, or use any other application during the school day. Exemptions to this rule are granted on a case-by-case basis by faculty or staff. Failure to follow these guidelines will result in disciplinary consequences. Parents who need to contact students during the school day should call the School Office.

**Electronic Listening Devices:** These items are only permitted during the school day if permission has been granted by a teacher for academic purposes. These devices will be permissible under specified guidelines during some co-curricular activities.

**Electronic Recording Devices:** Use of these items as picture/video/recording devices is only permitted during the school day if permission has been granted by a teacher for academic purposes. These devices will be permissible under specified guidelines during some co-curricular activities. Any use of these items for the purpose of cheating, harassment, vulgarity, transmitting pictures/video, or any other activity deemed inappropriate by the administration will result in serious consequences.

### **Electronic Recording Devices in Locker Rooms or Restrooms**

## **UNIFORM/DRESS CODE**

### **Overview**

Since students' dress strongly influences their behavior, self-image, and academic achievement, PACS has chosen to require school uniforms for kindergarten through 12th grade. As administration, our desire is to help your children develop a habit of modest dress; therefore, the administration has the right and responsibility to require all students to be appropriately dressed before attending any class.

There will be certain days when the student body is permitted to depart from the standard uniform. These special days are days such as picture days, approved team travel days, approved special events, spirit days, etc. The administration will inform students and parents of the dress that is acceptable for these days.

The PACS uniform consists of the:

- Daily uniform
- Chapel uniform
- Physical Education uniform
- Spirit Day or special occasion dress

Any special event or field trip dress that deviates from the normal dress code will be determined by the teacher and/or the administration. All decisions by the faculty and/or administration concerning dress code are final.

All attire must be neat, clean, and appropriately sized. Nothing should be worn that is too tight, too loose, too long, or too short. Only plain white t-shirts with no writing or emblems are to be worn under uniform shirts. Long sleeve t-shirts are not allowed underneath short-sleeved shirts.

Concussions represent a serious threat to a student’s health that can affect them not only physically but cognitively. Parents must immediately notify the school if their child has been diagnosed with a concussion and communicate, in writing, any concussion protocols recommended by their child’s physician. The school’s administrative leadership team will work closely with the faculty, staff, and athletic department to adhere to the concussion protocols recommended by a student’s physician to the fullest extent that resources allow. The school’s Athletic Department will adhere to all “Return to Play” policies set forth by the GHSA Concussion Policy. Academic accommodations vary dependent upon the severity of the concussion and can include, but are not limited to, the following: modified assignments, extended time, and preferential seating. Before returning to physical education classes, parents must provide written clearance from their physician for their concussed student.

### **Illness**

In all cases involving a public grouping of people, prudence requires that students and employees with acute symptoms of communicable diseases take sick leave when ill.

Children are very susceptible to colds, flu, and other diseases. We desire our school to have the healthiest environment possible. The best way to prevent illness is to prevent exposure. **PLEASE KEEP YOUR CHILD(REN) AT HOME IF THEY HAVE ANY OF THE FOLLOWING:**

- Fever – defined as having a temperature of 100.4°F or higher. Students should be fever-free (without fever-reducing medications) for at least 24 hours prior to returning to school.
- Diarrhea – runny, watery, or bloody stools
- Vomiting - within a 24-hour period
- Body rash with fever
- Sore throat with fever and swollen glands
- Severe coughing – child gets red or blue in the face, has persistent coughing, or makes high-pitched whooping sound after coughing
- Eye discharge – thick mucus or pus draining from the eye or pink eye
- Child is irritable, continuously crying, or requires more attention than we can provide without compromising the health and safety of other children in our care.
- Any communicable disease. Such communicable diseases include, but are not limited to the following: Influenza, Pneumonia, Scarlet Fever (Strep), Whooping Cough (Pertussis), Mumps, Measles, Chicken Pox, Diphtheria, Conjunctivitis (Pink Eye), Shingles, MRSA/Staph.
- Head Lice and Scabies are passed from person to person by direct contact or on shared objects. If your child has head lice or scabies, he/she is not permitted to return to school until he/she has been treated. A follow-up treatment for head lice should be given eight to ten days after the initial treatment.

If a student becomes ill during the school day, a staff member will escort the student to the school nurse’s office. The parent/guardian or emergency contact person (authorized individuals only) will be notified. Arrangements should be made to pick up the student within one hour. It is routine policy to require parents

to pick up their child when their temperature reaches/exceeds 100.4°F, the child has a persistent cough or is vomiting, has diarrhea, and /or is unable to function normally at school.

**NOTE: *If your child is being treated with an antibiotic for any condition, he/she must have received treatment for at least 24 hours before returning to school.***

In the case of a contagious disease, please contact the school nurse immediately. If your child contracts any of the following, notification to the school is necessary: measles, mumps, chicken pox, head lice, strep throat, COVID-19, shingles, or MRSA/Staph.

A teacher or administrative official who reasonably suspects that a student or employee has a communicable disease shall immediately notify the school nurse. Any student or employee with a communicable disease for which immunization is required by law or is available shall be temporarily excluded from school while ill and during recognized periods of communicability. Students and employees with communicable diseases for which immunization is not available shall be excluded from school while ill. PACS reserves the right to make all final decisions necessary to enforce its communicable disease policy and to take all necessary action to control the spread of communicable diseases within the school.

A physician's release to return to school must be submitted to the school office before the student can return.

When necessary, Prince Avenue Christian School will send electronic communication to notify parents of their child's potential exposure to a communicable disease. Any cases or suspected cases of notifiable communicable diseases will be reported to the local County Health Department.

## **Immunizations/Physicals**

It is a requirement of PACS and the state of Georgia that the school have on file a Certificate of Immunization indicating the current status of immunization for each student. It is the responsibility of the parent(s) to keep these files updated. All students entering sixth grade are required to have a second Measles, Mumps, and Rubella (MMR) immunization. All incoming 7<sup>th</sup> graders and any new entrants into the Georgia school system will be required to have two immunizations, one for tetanus, diphtheria, and pertussis (Tdap) and one for meningitis (Meningococcal disease) before starting school. An updated Certificate of Immunization needs to be submitted to the school office at this time. The administration has the option to not permit any student (regardless of grade) to begin classes until the appropriate records are on file.

PACS requires that any student participating in co-curricular sports complete a physical prior to participation each year. These forms can be acquired through the Athletic Department.

## **Injury of Students**

In the event a student is injured while on campus, and the injury is minor, the staff member in charge will administer the necessary first aid. If the injury requires more than clean up and a Band-Aid, the school nurse will be notified and the parents will be contacted. At that point, the school's policy on Accidents with Severe Injuries will be followed. If necessary, students may be taken to either Piedmont Athens Regional Medical Center or St. Mary's Hospital in Athens, GA.

## **Medication**

All medications must be brought to the school nurse immediately upon arrival to school. Prescription medications that are a controlled substance or psychotherapeutic medication must be brought to the front office by a parent/guardian and meet the following requirements.

MEDICINE MUST BE IN THE ORIGINAL CONTAINER and the following information should be clearly written on the container and on the MEDICATION AUTHORIZATION FORM:

- Child's name
- Medicine name and dosage
- Time, date, and reason medicine is being administered
- Signature of parent
- Phone number where parent can be reached during the day

The school will have a supply of the following over-the-counter medications: Ibuprofen, Acetaminophen, Midol, Benadryl, burn cream, Hydrocortisone cream, triple antibiotic cream. If any of these or other over-the-counter medications are needed during the school day **on a regular basis**, it is requested that parents provide over-the-counter medications with a completed **Medication Authorization Form** for their student(s). This medication will be kept locked in the school nurse's office and labeled for your student's use only and should be picked up at the end of the school year. All medications given by the school will require a **Medication Authorization Form** completed by the parent/guardian and submitted to the school nurse at [schoolnurse@princeave.org](mailto:schoolnurse@princeave.org).

### ***Adverse Reaction to Medication***

All medication will be given by the school nurse or trained designee and shall be documented. No medicine will be dispensed without parent consent and/or doctor documentation.

After taking the medication, if the teacher in charge notices or the child complains of itching, swelling, nausea, shortness of breath, or loss of consciousness, the teacher is to notify the school nurse immediately. If the child is still conscious, the child should be brought to the school nurse's office by an adult. The child's parents will be contacted to notify them of the adverse reaction to the medication.

If unconscious, the school nurse and an administrator/principal or designee will go to the scene. Administration will call 911, notifying the EMS personnel of an adverse reaction and contact the child's parents. Support staff will bring the AED to the scene and follow the plan for the serious injury of a child.

## **Sudden Cardiac Arrest**

In accordance with the state of Georgia's Jeremy Nelson and Nick Blakely Sudden Cardiac Arrest Prevention Act that took effect in the fall of 2019, all students participating on a middle school, junior varsity, or varsity athletic team (or school activity) must have a completed Sudden Cardiac Arrest Awareness Form digitally signed in *Privit*. The school will contact parents of middle or high school students should their student pass out or faint while participating in a sport that requires a medical physical for participation.

## **BUS TRANSPORTATION**

### **Bus Drivers**

A CDL licensed driver with a passenger and school bus endorsement is required for all school trips requiring the use of buses or vehicles designed to transport fifteen or more students. The drivers must be on the school and church approved drivers' list and meet DOT requirement for drug and alcohol testing.

### **Bus Rules**

- No pushing or shoving while entering or exiting the bus
- No standing while bus is in motion or en-route
- No hand gestures to other vehicles
- No signs placed on or in windows
- No screaming or yelling permitted
- No whistles or noisemakers allowed by students or teachers
- No tampering with emergency exit doors or windows

- Seats will be assigned if needed
- Additional rules may be given to students at the time of the trip.

## **Bus Service and Routes**

Prince Avenue Christian School offers morning and afternoon bus routes. Students can ride on a daily basis if they need to use the service occasionally or sign up as monthly riders if they expect to ride most days. Fees are charged for daily rides or on a monthly basis. Fees for bus services are listed under Financial Policies and Fees. Routes and pickup times are available at [princeave.org/current-families/campus-life/bus-schedule](http://princeave.org/current-families/campus-life/bus-schedule).

NOTE: The parent/guardian must meet the student being dropped off at the bus door. No student will be let off the bus without being handed directly to a parent/guardian. Students not picked up will be taken back to the school and delivered to the After School Program. After School Program rates will apply.

For information or to register for bus service, contact the Business Office at [businessoffice@princeave.org](mailto:businessoffice@princeave.org).

## **Field Trip/Athletic Event Transportation**

- Field Trips - Prince Avenue Christian School provides bus transportation for field trips for students in kindergarten – 12<sup>th</sup> grade. There is no school transportation provided for PreK field trips. Parents of PreK students are responsible for bringing their child to the site of the field trip, staying for the duration of the field trip, and taking their child home once the field trip is complete.
- Athletic Events - when bus transportation is provided for athletic events, only students who are part of the team, either as a player or a manager, are permitted to travel with the team unless approved by administration.

## **MISCELLANEOUS**

### **Birthday Celebrations (Lower School)**

If you wish to help your child celebrate his/her birthday at school, communicate with the teacher in advance. We will be glad to allow you to furnish refreshments and/or favors for a party. Parents are especially welcome at school on birthdays. For outside parties, please do not hand out invitations in class unless the entire class is invited. Students may also be honored for their birthdays by donating a new book to the school library.

### **Car Line Safety and Etiquette**

When picking up and dropping off your child(ren):

- Be patient, careful, and watchful
- Go slowly
- Face forward when moving
- Stop at least six feet from the car in front of you
- No cell phone use at the curb as this can be a *significant* distraction
- Do not pass cars unless directed to do so by school personnel
- Stay in your car and allow school personnel or their designee to assist your child in or out of the vehicle
- For student safety purposes, Uber/Lyft services are NOT allowed to be used to get to or leave the school campus. Using these services may subject students to disciplinary action.

## Care of Property

Willful damage or destruction of school property will not be tolerated. All damage, whether willful or accidental, must be paid for. All students are expected to report any damage to furniture or other school property immediately.

## Chaperones

There are times throughout the school year when parents may be asked to serve as chaperones. The school requires parents to follow the same standards of dress and conduct as required of the faculty and staff. Chaperones are to be considered an extension of the school and Prince Avenue Baptist Church.

### Overnight Chaperones for Middle and High School Trips (Teachers/Staff/Parent Volunteers)

1. Must be an adult 26 years of age or older who is willing and able to supervise and care for the general welfare of students and demonstrate personal conduct consistent with our school's Spiritual Life Commitment Statement.
2. Must have a criminal background check completed prior to serving, and all background checks must be within 12 months of the end date of the trip.
3. At no time shall a parent chaperone or teacher sleep in the same room with students. As a general rule, students sleep in rooms with students, and chaperones sleep in rooms assigned to chaperones. Exceptions to this rule include but are not limited to: a parent chaperone or teacher who sleeps in a room *alone with their own child* or if chaperones and students are sleeping in a common area (campground bunk house, gymnasium, and etcetera).
4. Only chaperones of the same gender may be assigned to the same chaperone room unless the chaperones are a married man and woman.
5. The possession or use of alcohol or tobacco while serving as a chaperone is prohibited.

## Communication with Students

Lunches, homework, books, and other items that may need to be delivered to your child should be left in the office. If you need to send a message to your child during school, please call the office and the message will be delivered to your child. We DO NOT call students to the phone except in the case of an emergency. A message may be given to a student to call a parent during a convenient break (i.e., lunch).

## Employee and Volunteer Use of Social Networking Sites

Prince Avenue Christian School (PACS) respects the right of employees to use social media and networking sites, as well as personal websites and blogs, but it is important that employees' personal use of these sites does not damage the school's reputation, its employees, its students, or their families. Employees should exercise care in setting appropriate boundaries between their personal and public online behavior, understanding that what is private in the digital world often has the possibility of becoming public even without their knowledge or consent. Employees of PACS are *strongly encouraged* to carefully review the privacy settings on any social media and networking sites they use and exercise care and good judgment when posting content and information on such sites.

When using a social media site, an employee may not include current students as "friends," "followers," or any other similar terminology used by various sites. If an employee maintains or participates in a PACS-sponsored online community that extends to persons who are parents, alumni, or other constituents, s/he must exercise good judgment about any content that is shared on the site. Additionally, employees should adhere to the following guidelines, which are consistent with PACS' workplace standards on student/parent/alumni relationships, conduct, professional communication, and confidentiality:

- Employees may not disclose any confidential information about the school obtained during the course of his/her employment, which includes information about students, parents, alumni, coworkers or information about individuals or organizations associated with PACS.

- Employees must uphold PACS' values and respect for the individual and avoid making inflammatory or defamatory statements about the school, its employees, its students, their families, their religious denominational affiliation, or their church leaders.
- Employees should not post personal material to social networking sites during normal school day hours.
- Employees should not post photos, videos, or any identifiable information about students or co-workers on their personal social networking accounts. However, reposting or sharing these types of items *from official school sites* is approved.
- An employee should not make statements that would violate any of the school's policies including its policies concerning discrimination or harassment.

If the school believes that an employee's activity on a social networking site, blog, or personal website may have violated the school's policies, adversely affect the employee's ability to fulfill their duties, or adversely affected the school's mission, the school's administrative leadership may request that the employee cease such activity. Depending on the severity of the incident, the employee may be subject to administrative or disciplinary action.

### **Creating and Maintaining Official Prince Avenue Christian School Social Networking Sites**

All "official" Prince Avenue Christian School social networking sites must be approved by the Marketing Office and should adhere to the following standards:

- Logos and graphics used on the site must be consistent with the branding standards and usage guidelines of the school.
- Sites that accept comments or postings by anyone other than the site administrator must be diligently monitored to ensure that information displayed fits within PACS guidelines and is appropriate to the subject matter of the page.
- Students should not be expected to utilize the site as the only source of important information since student access to social networking sites is restricted on the PACS network.

Unauthorized pages that have not been approved by the Marketing Office will be treated as personal pages and will therefore be limited to the standards provided above.

### **Guidelines for the Use of Social Networking Sites**

- Use of social media for marketing/ alumni relations purposes
  - The school has an official presence on multiple social media sites under the management of the Marketing Office; as such, employees may not engage in official marketing through their personal social media accounts without the expressed approval of the Marketing Office. For example, an employee, on his or her own, may not create an alumni page for the school on his or her personal blog.
- School-related uses of social media
  - Per the Family Educational Rights and Privacy Act (FERPA), official academic information, such as grades, can only be stored in and displayed via the school's official Student Information System, FACTS SIS (formerly RenWeb), not in a social media platform.
  - Class blogs, Facebook pages, Twitter accounts, wikis, podcasts, or other social media tools used by a teacher for academic or co-curricular purposes must be actively monitored for proper online etiquette and adherence to U.S. copyright laws, the PACS Employee Handbook, and the school's student conduct standards contained in the PACS Family-School Handbook.
  - Class blogs, Facebook pages, Twitter accounts, wikis, podcasts, or other social media tools used by a teacher that are not hosted on an official school platform should be approved by the teacher's principal and have at least two adult administrators.

- Parent notification should be given regarding their student's use of social media for school-related activities. For example, if class projects are to be posted to YouTube or if the class uses a Facebook Group, this needs to be communicated on the Course Syllabus and annotated in FACTS SIS (formerly RenWeb) under the homework section so parents can see it.

Note: The remainder of the guidelines below apply to personal social media uses rather than official school purposes.

- "Friending" of alumni and parents –
  - Employees are *urged to use extreme caution* in connecting to alumni and parents using social media. There are legitimate reasons and uses for these connections, but personal boundaries all around need to be respected.
  - Employees must be mindful of the power dynamic involved in making "Friend" requests and should leave that to alumni and parents to initiate.
  - Employees should remind students, alumni, and parents of their moral and legal obligations as an educator, especially in the use of social media.
- Co-worker "Friends" - Employees should use good judgment when making and/or accepting connections to or from colleagues. All employees are encouraged to use caution when making "Friend" requests of their supervisors or those that report to them due to the potential for both parties to feel pressured to accept the request and potentially impact the work relationship. Such courses of action can also raise conflicts of interest, feelings of unequal treatment, discrimination, or other concerns with employees.
- Non-school-related "Friends" - Remind other members in your social networks of your position as an educator with PACS and that your profile may be accessed by other members of our school community. You are responsible for the posts made to your personal site(s) and you should manage your site(s) accordingly.
- Exercise care with personal profile data and posted content to ensure this information does not reflect poorly on your ability to serve as a role model at PACS or otherwise create a conflict of interest. The posted content associated with your account(s) should not contradict the school's Christian values and beliefs nor the requirements documented in employment contracts, the PACS Employee Handbook, or PACS Family-School Handbook.
- Privacy settings - Inherent in social media technology is the capability to limit access to profiles and posted content. Employees are encouraged to check their privacy settings on a regular basis to ensure that they are revealing only what they wish to and only to those they wish to reveal it.
- Time on social sites - As a general rule, teachers should not utilize social media for personal use during school hours in order to model appropriate behavior for students.
- Protecting confidential information - Per the Family Educational Rights and Privacy Act (FERPA), all confidential information must be protected and disclosed pursuant to school policy or as otherwise required by law. No social media posts may communicate any confidential information.
- Use of logos, trademarks, and intellectual property - Employees are not permitted to use the PACS logo, trademarks, official photographs, or any other intellectual property of proprietary materials in any postings to social media without written consent from the Marketing Office.
- Online identity and posting to blogs - As a vibrant, Christ centered, academic and cocurricular community, the school encourages active engagement in a range of activities, intellectual pursuits, and causes. At the same time, an individual's right to participate in these groups must be balanced with the school's right to manage public communications in its name, and on its behalf, inasmuch as it reflects on the school's image as an institution dedicated to excellence.

### **Employee Electronic Communications**

- Employees are NOT allowed to "text" students (SMS – Short Message Service), and instead must use an official Prince Avenue Christian School service to communicate with students. School case

law litigation has made the practice of texting students too great a liability for employees/teachers and the schools that employ them.

- Employees are NOT to text parents for school related business, and that Official Prince Avenue Christian School social networking sites, e-mail, or phone calls are approved to communicate with parents. The school's administration and faculty should be consistent in relaying that texting is not an approved official form of communication with parents.

This policy will be reviewed periodically and revised based upon emerging technology and changes in the use of technology that supports the school's vision and mission statements.

## **Emergency Plans**

Emergency plans have been developed and are posted for parent viewing in each classroom. When necessary, parents will be notified through PACS's Parent Alert (via phone call/text/email) of school closings or changes in pick-up times due to any type of emergency (i.e., severe weather/tornado, fire, physical plant problems, etc.).

## **Field Trips**

Field Trip permission forms must be filled out and returned to the classroom in order to attend scheduled trips. For guidelines regarding field trip attire, see the uniform section of the handbook.

## **Fundraising**

Each year at PACS, we select certain fundraising events to supplement the school's regular budget. The funds raised during these events are used for various projects for which there is no regular funding. While participation in any of our fundraising events is voluntary, we ask our parents to help as much as possible. We will announce the dates and times of fundraising events through school communications. All fundraising must be approved through the Development office.

## **Holidays and Seasonal Emphasis**

Prince Avenue Christian School recognizes the following holidays in its school calendar: Labor Day, Columbus Day, Thanksgiving, Christmas, Martin Luther King Jr. Holiday, President's Day, Good Friday, and Easter. Year-round employees will also observe Memorial Day and Independence Day.

Prince Avenue Christian School will recognize certain seasons that are compatible with Biblical principles. Classroom decorations will honor Christ during the Christmas and Easter seasons. Halloween will not be recognized, with the exception of harvest or autumn themes.

## **Leaving Campus**

Student Release Forms, which must be completed and filed before the first day of school, are to contain the names of persons, including parents, who are permitted to pick up students from the After School Program or during the day. Under no circumstances will students be released to anyone whose name does not appear on this form. Changes or additions can be made in person or by a written note signed by one parent, whose signature is on his/her child's registration application.

If your child has permission to go home after school with a friend, a signed note to this effect must be given to your child's teacher that morning. Middle and high school students are to give all notes to the middle or high school office.

All students, regardless of age, should check in and out through the appropriate school office to retain accountability for absences from school. Lower school students will not be permitted to check out after 2:30 pm and middle and high school students will not be permitted to check out after 2:55 pm. Appointments should be scheduled whenever possible to avoid late check out.

- Lower school students will be checked in and out through the main school office. Parents may contact the front office or lower school office in advance if they would like their student to be waiting in the office when they arrive.
- Middle school students will be checked in and out through the middle school office located in the middle school building. Parents may contact the middle school office in advance if they would like their student to be waiting in the office when they arrive.
- High school students will check in through the high school office and may check out through the main office or the high school office. Parents may check their high school student out in advance by contacting the high school office directly and then pick the student up at the main office if the student is not a driver.
- If you have students in more than one building that need to be checked out, all of the students may be checked out through the school's main office. The receptionist will then notify the other offices that your students are checking out. The parent will then drive to the appropriate building to pick up each student

## **Library**

Students who use the library must be supervised by the teacher or the librarian. Students are responsible for all books checked out in their name. Students should follow library rules for using library facilities. A copy of these rules may be obtained from the media specialist.

## **Lockers and Locks**

Lockers and locks will be assigned to each middle or high school student. Students will keep their locks from year to year. If locks are lost, a new one must be purchased from the school. Stickers that are not easily removed are not permitted. Lockers are subject to being searched by administration at any time.

## **Lost and Found**

If your child has lost an item, lost and found items are regularly available to be looked through in the Wolverine Den. The items are in large containers clearly marked "Lost & Found."

Lost and found items will normally be displayed in the main hallway the last week of each quarter. On the last Friday of the quarter, the uniform items will be donated to the PTF uniform sale and all other items will be given to a local charity. We will attempt to reunite items that are plainly marked (no initials, please) to their owner. Lost and found display dates will be published in the Wolverine Weekly.

## **Lunch and Snack**

### ***Snack Time***

Students are encouraged to bring a healthy snack from home each day. Middle and high school students are permitted to purchase snack items from the cafeteria during pre-determined times. Purchases are charged to the student's FACTS account when they show their student ID at checkout. No cash is accepted.

### ***Lunch***

Students may bring a lunch from home or may purchase a hot lunch from the school cafeteria. When bringing a lunch from home, please note that there is no cold storage available. Students who wish to purchase a school lunch will need to sign-up with their homeroom or 1<sup>st</sup> period teacher. The lunch menu is posted on the school website and the prices for full meals and a la carte items are posted in the incidental fee listing. Food purchases are charged to the student's FACTS account and cash is not accepted.

## **Parent Access**

Parents have permission for access to all areas of Prince Avenue Christian School used by their child. All parents and visitors must sign-in and out with the front office or middle school office and wear a “Visitor” badge while on the school campus. All parents and visitors are expected to dress modestly while on campus.

## **Parent Involvement**

We believe our school will be effective to the degree that we have parent involvement. Parents are encouraged to volunteer as teachers’ aides, chaperones, special dinner workers, coaches, etc.

We want to promote the highest standard of home and school life for the spiritual, mental, social, and physical welfare of our children. We encourage each parent to be involved for his/her family’s sake. Depending on the type of work a volunteer is involved with in the school, he/she may be required to complete a background check before assisting at the school.

## **Parent Teacher Fellowship (PTF)**

At the beginning of the school year, parents are encouraged to become active volunteers within the school through PTF events. More information about this is available from PTF leadership.

## **Parent-Teacher Grievances**

The Bible teaches that the best way to handle a problem with another person is by going directly to the party or parties concerned. The process is spelled out in detail in Matthew 18:15-17 and is amplified in Leviticus 19:15-18. The people of Israel were not to slander their neighbor, take revenge on their neighbor, or bear a grudge against their neighbor. To put it another way, they were not to confess the sins of others to uninvolved third parties, nor were they to confess those sins to the person himself in a hurtful way, or to confess those sins to themselves over and over again until bitterness and resentment resulted.

As we seek to resolve problems, let us always remember that it is God’s reputation, not our own, that we are seeking to promote. We do that best when we seek to do things His way. His way involves attacking problems, not people. Guidelines to follow as we seek to resolve problems with others are as follows:

- Seek to gain knowledge of all sides of a problem before passing judgment on a matter.
- Go to your child’s teacher and seek to resolve the problem at this level before going further. Go with the assumption that the teacher has your child’s best interest at heart.
- If the problem cannot be resolved with your child’s teacher, then go to the teacher’s principal and discuss the issue. The principal may or may not decide that the teacher’s involvement in the discussion is required.
- If the problem cannot be resolved by the principal, then go to the Head of School to discuss the issue. The Head of School may or may not decide that the principal and/or teacher’s involvement in the discussion is required.
- If you feel that the issue has still not been handled in a proper and fair way by the Head of School, you may bring your concern to the School Board. All concerns referred to the Board must be done in writing, either by e-mail or letter, and addressed to the Chairman of the Board. The letter must explain the issue in detail, the steps that have been taken to resolve the issue, and how your concerns were handled at the teacher, principal, and Head of School levels. The submission of your letter to the Chairman of the Board means it will be earnestly considered, but not guaranteed, for placement on the Board’s agenda for discussion. All parent complaints submitted in writing and discussed on the Board’s agenda will be responded to in writing no later than 14 days after the Board hears the issue.

***NOTE: Anonymous letters or phone calls will not be considered or accepted.***

## **Parent or Teacher Initiated Conferences**

Teachers may request to discuss student's progress with parents; this can be a valuable time for both parents and teachers. A conference with teachers, administrators, or the Head of School may be scheduled by sending a note (in a sealed envelope), e-mail, or phoning to arrange a time. Please, no surprise conference visits.

## **Potty Training**

Being potty trained is a pre-requisite for entering school. Being "trained" means that the student senses the need to go, understands the importance of going to the restroom, and can handle him or herself independently in the restroom. While grace is given to our youngest students regarding occasional accidents, these episodes should be clearly accidental and rare. Parents of PreK students should dress their student in clothing that can be easily managed independently while in the restroom. Teachers and paraprofessionals will remind students of proper restroom hygiene and will assist PreK students if assistance is occasionally needed, but students should be able to manage themselves independently on most occasions.

To handle the occasional accident, we ask that parents send a change of clothing (underwear, bottoms, top, and socks) in a clearly labeled gallon-size Ziplock bag that can be kept in the classroom. If the student has an accident during the day, parents will be notified by email, and the teacher or paraprofessional will change the student and place the soiled clothes in the Ziplock bag and place the bag in the student's backpack to be taken home. Parents are asked to send in fresh clothing items the next day to replace the ones used the day of the accident.

Toileting incidents involving bowel movements will be referred to the school nurse if the classroom teacher is unable to sanitarily manage student clean-up. When the nurse assumes responsibility for the situation, the student will return home for the remainder of the school day. The nurse will contact the student's parents to arrange pick up.

Students who show a pattern indicating that they have regressed in their toileting independence or that they have not actually mastered toileting independently will remain enrolled but will be sent home for a minimum of two weeks to work on gaining independence in the toileting process. During this time, the teacher will maintain contact with the parent to determine that sufficient progress is being made. Parents of enrolled students who demonstrate lack of mastery of the toileting process will be released from their contractual agreement and allowed to withdraw.

## **Safety Patrol**

The Safety Patrols (5<sup>th</sup> grades) are selected by teachers based on their maturity, responsibility, and citizenship within the school. Safety Patrols will assist students during morning drop-off beginning at 7:40 am.

## **School Colors and Mascot**

The school colors are navy blue and gold and the school mascot is the Wolverine.

## **School Trips**

A permission form must be signed by a parent or guardian for all trips away from school. This ensures that parents are adequately informed in advance of any anticipated field trip or excursion.

## **Search Policy**

Prince Avenue Christian School reserves the right to invite Law Enforcement personnel on campus to provide assistance in searches at any time. Lockers are school property and are subject to search by school officials at any time. Personal possessions, such as book bags, gym bags, and automobiles, while on campus, are subject to search by school officials at any time.

## **Student Drivers**

All student drivers must have a driving permit that is signed by their parents on file in the school office, as well as a parking decal in their cars. Students may park in designated parking areas only.

To ensure safety, the speed limit in the parking lot is 5 mph. All drivers, students, and adults should be mindful of children in the parking lot. Students may not loiter in their cars before or after school.

All students must have a Certificate of Attendance issued from PACS in order to obtain a learner's or driver's license. This certificate is available through the school office and must be requested one week before it is to be issued. The certificate is only valid for 30 days.

## **Student Drop Off and Pick Up**

### ***Before School Program***

All students dropped off between 7:00 - 7:45 am must go to the Before School Program in the gymnasium; students are not permitted to roam the school building prior to 7:45 am. The Before School Program is a fee based service since the program operates prior to the normal drop-off time of 7:45 am, and pricing is available at <http://www.princeave.org/admissions/tuition-fees> using the Incidental Fees document. Parents' FACTS accounts are billed weekly based on usage of this service. The Before School Program is staffed by a PACS employee/teacher as the lead supervisor and vetted high school student assistants. Students who participate in the Before School Program must be dropped off at the gymnasium door and checked-in by the PACS employee/teacher supervisor. At 7:45 am, PreK through 1st grade students are walked to their classrooms by a Before School Program worker, and 2nd grade students and above are released to report to their classrooms.

### ***Morning Drop Off***

#### **Grades PreK, Kindergarten, and 1<sup>st</sup> (7:45 am)**

Students will be dropped off adjacent to Entrance "D" of the church, and students dropped off after 8:10 am must be signed in at the school's main office. Once signed in, office staff will call the student's classroom to notify the teacher of the student's arrival. The student's parent will then drive/walk the student adjacent to Entrance "D" of the church where a PACS staff member will meet them and bring the student to their classroom.

#### **Grades 2-12 (7:45 am)**

Students will be dropped off using the school's main carline, which promptly ends at 8:10 am. All students dropped off after 8:10 am must check in at the appropriate office. No students are allowed to be dropped off in front of the main office or the middle school building between 7:45 am and 8:10 am due to traffic safety concerns.

### ***Afternoon Pick Up***

#### **PreK (12:00 pm)**

The program offers supervision of students in PreK-4 through 8th grade and provides a healthy snack, homework assistance and supervision, as well as a variety of well-planned and supervised age-appropriate group activities. Hours for this program are 2:45 - 6:00 pm daily or from 11:15 am - 6:00 pm on early release days.

Students who are not picked up by 3:10 pm for lower school and 3:35 pm for middle school will be sent to the After School Program. A fee will be assessed to your account for late pick up of your child. The exception to this will be adult-supervised school related activities such as: sports events, club activities, cheerleading practices, etc. After School Program pick-up is located in the school cafeteria. High School students not in supervised activities may wait in the Wolverine Den but are not authorized to "roam" the building or gymnasium.

**Suspected Child Abuse**

In Georgia law, it designates certain professionals as mandated reporters of child abuse or neglect [OCGA 19-7-5(c)(1)]. School employees are included in the list of mandated reporters.

If a teacher or staff member has reasonable cause to believe that a child is being abused or neglected (mentally or physically), he/she must make a report immediately to the Head of School and/or their direct supervisor if the Head of School is not available. A report must then be made to the local DFCS office or law enforcement agency no later than 24 hours. Failure to do so is subject to criminal penalty. Administration will document the report.
