Prince Avenue Christian School provides a comprehensive college preparatory education from a Christian worldview for students in preschool through 12th-grade. Our teachers employ a learning versus teaching centric approach to education, and our small classes provide a unique, personalized approach to help each student perform at her or his maximum potential. As a PreK-3 through 12th grade school with an average enrollment of 900 students, our size allows us to offer a wide selection of core and electives classes with mature, developed fine arts and athletic programs in lower, middle, and high school grades for a traditional experience in a family-school environment.

Our lower school utilizes Abeka Math and Shurley Grammar, our middle school offers traditional and honors level courses, and our high school offers college placement, Advanced Placement (AP), and college/high school dual enrollment courses, which are all taught on campus by our own teachers.

### High School Courses

Prince Avenue offers 43 semester hours of dual college/high school credit taught on campus by our own teachers, seven Advanced Placement (AP) courses, and nine honors courses. Our small class sizes and interpersonal teacher and student relationships enable our students to learn and earn credit in advanced coursework they might not otherwise attempt in a larger and less personalized setting.
